Area West Committee

Date of meeting: 18th October 2017

Notice of Intention to Conduct Urgent Business in Private

Notice is hereby given in accordance with Regulation 5 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the following item(s) will be considered in private:

Chard Eastern Development Area Sustainable Route – Legal Agreement to Secure Public Access (Confidential)

Reason for Urgency:

This report did not appear on the Area West Committee Forward Plan, because negotiations on the legal access have not been concluded until now and in order to secure access for public benefit a decision is needed without delay.

The reason that the item is to be considered in private is that it will involve the disclosure of exempt information under the following category of Schedule 12A of the Local Government Act 1972:

- (3) Information relating to the financial or business affairs of any particular person (including the authority holding that information).

Agreement has been sought and secured from the Chairman of Scrutiny Committee that the item of business is urgent and cannot reasonably be deferred to a later meeting of the Area West Committee for the reason detailed above.

Should you wish to make any representations in relation to the meeting being held in private for consideration of the above item, please contact:
