It is lawful for the membership of the two committees to be the same, but they are differently constituted and run under different powers.

Meetings of the Licensing Sub Committee are held as required in the Council Offices, Brympton Way. However during the coronavirus pandemic these meetings will be held remotely via Zoom.

The Council's Constitution is also on the web site and available for inspection in council offices.

Agenda Item 2

Procedure to be followed when considering Licencing Applications under the Licensing Act 2003

Pre meeting Prior to the start of the Hearing the Committee Administrator will check that any person wishing to address the Sub-Committee is either an Interested Party or an authorised representative of an Interested Party or a Responsible Body and is entitled therefore to do so.

Where there is any doubt about the person's eligibility to address the sub-Committee, the Committee Administrator will seek advice from the Legal Officer(s).

1. The Chairman will introduce:

- members of the Sub-Committee (which will be made up of three District Councillors);
- the officers present;
- the Parties and their representatives (if any).

The Chairman will ask, before starting the Hearing, if any representations are being withdrawn.

2. At the start of the hearing the Chairman will advise:-

- all Parties of the reason for the Hearing and the procedure to be adopted;
- that where a Party wants another person to appear at the Hearing they must ask permission (under Regulation 8(2)) although such permission will not be unreasonably withheld. No permission is needed where the other person is acting only as the Party's representative;
- that if any Party wishes to ask the Sub-Committee to consider documentary or other information at the hearing, which was not provided before the Hearing, then all Parties must consent;
- that if any Party does not attend or is not represented at the hearing, the Hearing can go ahead but the Sub-Committee will consider any application, notice or written representations received by the relevant deadline from that Party;
- that in some circumstances, the Hearing may be adjourned, where the Sub-Committee consider the public interest demands it.

3. The Chairman will ask each Party to confirm receipt of the following documents:-

- Officer's report relating to the case;
- The procedure to be adopted during the Hearing;
- The documents, which the authority is required to provide under the Regulations – this varies according to the type of application but normally this means checking that the applicant has received copies of all the representations made in response to the application notices.

Any queries on the procedure or the factual content of the Licensing Officer's report should be dealt with at this point, with the assistance of the legal officer(s), as required.

4. **The Chairman will then ask** the Licensing Officer to present their report on the application. The report will include confirmation that the requirements as to advertising the application and the serving of notices have been met.
 5. **The Chairman will inform all present - prior to receiving representations** - that each Party will be given an equal amount of time to make their representations. This will normally be a maximum of five minutes. However, the Chairman has discretion about the time given to each Party and may vary the time limit where reasonable to do so although reasons will be given and fairness maintained.
 6. **The Chairman will invite any Responsible Bodies present** e.g. representatives of Police/Fire Service/ Environmental Services to address the Sub-Committee on any relevant representations they have made.
 7. **The Chairman will then invite:**
 - Parties or their representatives speaking in support of the application (including the applicant for the review) to address the Sub-Committee on their relevant representations. The address shall relate only to those matters already raised in the application, representations or notice (as applicable). No new information can be presented at the hearing unless all Parties agree, however, where the authority has notified the Party that it requires clarification on any points, this should be provided at this stage;
 - Parties or their representatives, speaking in opposition to the application for review, to address the Sub-Committee on their relevant representations. The address shall relate only to those matters already raised in the application, representations or notice (as applicable). No new information can be presented at the hearing unless all Parties agree, however, where the authority has notified the Party that it requires clarification on any points, this should be provided at this stage.
- The Chairman** will permit a Member to seek immediate clarification of a point made by a Party, their representative or any another person permitted to attend where, prior to this point in the Hearing, circumstances arise which make it desirable to do so, provided that the question is relevant and helps the proper conduct of the Hearing. The rules of natural justice will be followed.
- No Cross examination will be permitted without the consent of the sub-Committee and this will only be given where Committee considers that cross-examination is required for it to consider the representations, application or notice.
8. **The Chairman will ask** whether anyone has any further relevant comments to make and whether each Party is satisfied with the conduct of the Hearing.
 9. **The Chairman will then invite** Members of the Sub-Committee to ask any questions of any of the Parties or any other person permitted by the Sub-Committee to appear at the Hearing.
 10. **The Chairman will check with the legal adviser(s) that all relevant points have been addressed before asking the Parties to leave the room while** the Sub-Committee consider its decision in private. Only the clerk and the legal adviser(s)

will remain with the Sub-Committee although only the sub-committee will be making the decision.

11. **Once in private the Chairman will advise the other Members** that they must consider all the information before them in making their decision but will disregard any information which is not relevant to the application, representations or notice and which does not relate to promoting the Licensing Objectives. Members will take account of the Statutory Guidance and the Council's Statement of Licensing Policy but shall be free to depart from it where the merits of the case warrant it. Full reasons shall be given for any such departure. If Members require further information from any Party or any further evidence, they will reconvene the hearing with all Parties able to be present.
12. **The Chairman will ensure, on the Parties return to the Hearing room,** that any legal advice given to the Sub-Committee in private is summarised to the Parties.
13. **The Chairman will notify** all Parties of their decision and the reasons for the decision. The decision will normally be given orally, at the Hearing, in a plain English format to help those attending the Hearing to understand it more easily. This is not the official written Notice of Decision which be sent to all of the Parties shortly afterwards.

Where the Sub-Committee is unable to give a decision at the meeting, **the Chairman will advise all Parties when a decision can be expected.** The decision will be sent to all Parties within the timescales set down in the Regulations.

14. **The Chairman will inform all Parties** of their possible rights of appeal (if any).

NOTES

1. A Party is anyone who has submitted an application or made a relevant representation or served a notice.
2. Where an adjournment is granted the Sub-Committee will notify the Parties forthwith of the date, time and place to which the Hearing has been adjourned.
3. Under no circumstances must the Parties or their witnesses offer Members of the Sub-Committee information in the absence of the other Party. Similarly, Members will not attempt to elicit information from any Party to the Hearing in the absence of the other. Members will not make pronouncements on the merits of the case until all the evidence has been heard. These are essential elements of the rules of natural justice.
4. The Chairman may vary this procedure, as circumstances require but will have regard to the rules of natural justice.
5. The Hearing will take place in public. However, the public can be excluded from all or part of the hearing where the Sub-Committee considers that the public interest in so doing outweighs the public interest in the hearing, or that part of the hearing, taking place in public.

The Sub-Committee may also require a Party to leave the hearing if that Party is

behaving in a disruptive manner. The Sub-Committee can refuse to readmit the Party or readmit upon conditions but the Party can nevertheless submit to the Sub-Committee before the end of the Hearing any written information it would have been entitled to submit orally at the Hearing.

6. District Councillors representing the area (District Council Ward) to which the application refers, or have declared an interest, will not form part of the Sub-Committee.
 7. Where any irregularity is brought to the attention of the Sub-Committee during the hearing, the Sub-Committee may, if it feels that a Party has been prejudiced as a result of the irregularity, take such steps as it thinks fit to cure that irregularity before it makes its determination. However, any irregularity from a failure to follow this procedure shall not of itself render the proceedings void and any clerical errors may be corrected.

Agenda Item 3

Representation following the Application for a New Premises Licence at Apple HQ, Shepton Montague, BA9 8JP

Director: Netta Meadows – Service Delivery
Report Author: Rachel Lloyd – Specialist - Licensing
Contact Details: rachel.lloyd@southsomerset.gov.uk or 01935 462134

Purpose of the Report

To inform members that an application has been received from Mr Oliver Dowding and Ms Jane O'Meara, for premises licence to be granted under the Licensing Act 2003 at Apple HQ, Shepton Montague, BA9 8JP.

Recommendation

To determine the granting of the premises licence in accordance with the options detailed later in the report.

Background

The Council is the authority responsible for the issue of Premises Licences issued under Section 18 of the Licensing Act 2003.

The Lead Specialist – Environmental Health has delegated authority to determine a Premises Licence application, subject to no objections being received from a Responsible Authority or “Other Persons”. In this case, relevant representations were received from three “Other Persons” it is therefore necessary to convene a hearing to determine the application.

Licensing Objectives

The licensing objectives are:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

The licensing objectives are to be considered paramount and the Council has a duty to promote them in its decision making process. An application will not be refused in whole or part or any conditions attached except those offered by the applicant or required by law except where appropriate to promote the licensing objectives.

Application

A copy of the application form is enclosed with the agenda; it does not however include a copy of the plan of the premises, which is available for inspection at the Council offices, Brympton Way, Yeovil.

The details of the application are summarised as follows:

- Applicant: Mr Oliver Hugh Arnold Dowding and Ms Jane O'Meara

Additional steps put forward by the applicant to comply with licensing objectives. Please see Section M (pages 17 - 18) of the application form; (these where appropriate, will become conditions of the licence, subject to the licence being granted, and are in addition to any further conditions imposed by the Licensing Committee).

Evidence that advertising/notice requirements have been complied with:

- The applicant has confirmed that a notice was displayed at the premises for the requisite period. A further notice was placed in the Western Gazette newspaper on 7 May of which we have a copy.

Representations – Responsible Authorities

- None.

Representations – Other Persons

Three representations were received from ‘Other Parties’, which relate to concerns about public nuisance from cider tasting events.

The representations also refer to concerns to do with the planning permission which has been granted for the premises, however whilst the Licensing Act 2003 can be used to cover situations where provision is not made in the primary legislation, it may not duplicate other statutory provision. A premises licence application can still therefore be granted, which is at odds with the planning consent, but any enforcement action would need to be taken under planning legislation.

Advice was sought from our legal team in relation to the matters to do with an increase of traffic and the safety and the crossroads and they were not considered to be matters that can be taken into account as part of the premises licence application.

Relevant Observations

The applicant has provided additional information about the small samples of alcohol that would be available and has said that samples might be offered to customers and potential customers visiting the site. The applicant said that they may have open days and invitation only orchard tours and that Temporary Event Notices (TEN) would be submitted to authorise licensable activities during these events.

One of the representations alleges that noisy parties have been held at the site previously. The applicant responded by saying that they hosted an evening tour for farmers and held an open day in May 2019 and there was a TEN in place for this event and they refute the claim that these events caused a disruption to residents.

TENs can be used to authorise licensable activities such as sale of alcohol at premises for a period of time not exceeding 168 hours where no more than 499 people will be present at any one time. The time period and amount of people referred to, is the maximum and the notice giver will specify the premises, number of people and how long the event will last. A single premises can be used for 15 TENs in one year as long as the total number of days is not more than 21. The consultees for TENs are Police and Environmental Health. It is not possible to add conditions to a Temporary Event Notice unless there is already a premises licence in place AND a representation is received from one or both of the consultees AND the committee feel it is appropriate to apply relevant conditions from the premises licence to the TEN e.g. keeping doors and windows closed.

Further Information

One of the representations mentions lack of toilet facilities at the site and the applicant has stated that toilets will be installed at the premises.

In determining the application with a view to promoting the licensing objectives in the overall interests of the community, the Committee must have regard to and give appropriate weight to the following considerations:

- Any relevant and valid representation (including supporting documentation received)
- The Latest Guidance issued under s182 of the Act
- The Statement of Licensing Policy issued in January 2014.
- The steps appropriate to promote the licensing objectives as set out in s18(4)
- Human Rights considerations in particular Article 6, Article 8 and Article 1 of Protocol 1

Options

The options available to the committee are stated at section 18 of the Licensing Act 2003 and are as follows:

- Grant the licence subject to such conditions which are consistent with the operating schedule modified to such extent as the Authority considers appropriate for the promotion of the Licensing Objectives and any condition, which must under s19-21, be included in the licence s18(4)(a)(i)(ii) together with the current mandatory conditions.
- Exclude from the scope of the licence any of the licensable activities to which the application relates s18(4)(b)
- Refuse to specify a person in the licence as the premises supervisor s18(4)(c)
- Reject the application s18(4)(d).

Right of Appeal

Schedule 5 of the Licensing Act 2003 sets out the rights and procedures for making appeals against the decision of the Licensing Authority:

Where the Licensing Authority has rejected an application for a premises licence, the applicant may appeal to the Magistrates' Court against the decision to reject.

Where the Licensing Authority has granted the licence, the holder of the licence may appeal to the Magistrates Court against any decision to impose conditions on the licence that are consistent with the operating schedule or imposed where having regard to any relevant representations, are considered appropriate to promote the licensing objectives.

Where the Licensing Authority has granted the licence subject to the exclusion of any of the licensable activities or refused to specify a person as the premises supervisor, the holder of the licence may appeal to the Magistrates Court against the decision.

Where a person who made a relevant representation desires to contend that the licence ought not to have been granted, or that on granting the licence, the Licensing Authority ought to have imposed different or additional conditions, or ought to have taken a step to exclude a licensable activity or refused to have specified a person as the premises supervisor, he may appeal against the decision to the Magistrates Court.

The appellant commences the appeal by giving a notice of appeal to the designated officer for the Magistrates' court within 21 days beginning with the day on which the applicant was notified by the Licensing Authority of the decision appealed against.

On determining the appeal, the court may,

- Dismiss the appeal
- Substitute for the decision appealed against any other decision which could have been made by the Licensing Authority; or
- Remit the case to the Licensing Authority to dispose of it in accordance with the direction of the court.

and may make such order as to costs as it thinks fit.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Sales will be made principally by Oliver Dowding. At times he may delegate this to Jane O’Meara. She will be fully briefed of her obligations in complying with all the relevant rules.

Oliver Dowding holds a personal licence. Oliver Dowding will ensure Jane O’Meara, who will occasionally make sales of alcohol is familiar with their obligations at all times, and will only dispense alcohol following full verbal and written instruction from Oliver Dowding.

Should anyone try to buy alcohol who is not fit to be sold it, they won’t be sold it and a note will be made and filed in the onsite Refusals Register.

The alcohol will be stored in the shed. This will be locked at all times except for ingress and egress by Oliver Dowding and authorised staff.

A “Challenge 25” policy will operate at the premises and the premises licence holders shall put measures in place so that the person making deliveries shall also operate this policy.

Full training will be given by the designated premises supervisor (DPS) to anyone involved in the sale of alcohol who doesn’t have a personal licence. This training shall include but is not limited to the “Challenge 25” policy and the offences that can be committed under the licensing act 2003. Such training shall be fully documented and measures put in place so that the records are signed and dated by DPS and the person being trained and the available to authorised officers of the responsible authority upon request.

No consumption of alcohol will be allowed on the premises apart from offering people small sample tasters.

b) The prevention of crime and disorder

By ensuring only responsible people are allowed in the premises.

Any people who appear irresponsible will not be sold any alcohol, whether on the premises or when delivering to purchasers.

The alcohol storage area (the whole shed) will be locked at all times except for ingress and egress.

A refusals register will be kept on the premises and reviewed weekly by Oliver Dowding as the Designated Premises Supervisor. This will be made available to the Responsible Authorities on request.

c) Public safety

There will be little risk to the public as the only people on the premises will be those who work on the premises or those who come specifically to buy alcohol. The building is set back from the road, and only accessible via a private track.

A fire extinguisher will be on the premises at all times.

d) The prevention of public nuisance

With the only people regularly or occasionally at the premises being the owner and staff, the risks will be minimal.

There are no public rights of way near enough to the shed to cause concern.

The building is hidden from public view on private land.

The building will be locked at all times except for ingress and egress and all that work normally associated with the harvesting and processing of apples, and such tasks as these things require.

e) The protection of children from harm

No under-18's will be allowed on or in the premises except under full adult supervision.

All "young" buyers will be asked for ID to prove their age.

There is a "Challenge 25" notice in a prominent place.

The building, when nobody is working in it, will be locked at all times.

When delivering alcohol, care will be made to only leave it with responsible people, again operating Challenge 25 where appropriate.

- 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
