Area East Committee Forward Plan

The forward plan sets out items and issues to be discussed over the coming few months. It is reviewed and updated each month, and included within the Area Committee agenda, where members of the Area Committee may endorse or request amendments.

Members of the public, councillors, service managers, and partners may also request an item be placed within the forward plan for a future meeting, by contacting the agenda co-ordinator.

Items marked *in italics* are not yet confirmed, due to the attendance of additional representatives.

To make the best use of the Area Committee, the focus for topics should be on issues where local involvement and influence may be beneficial, and where local priorities and issues raised by the community are linked to SSDC corporate aims and objectives.

Further details on these items, or to suggest / request an agenda item for the Area East Committee, please contact the Agenda Co-ordinator; Anne Herridge.
