The Fraud and Data Manager and the Fraud and Data Officer will provide Members with a short presentation on the General Data Protection Regulation (GDPR).

This awareness session will highlight the key themes of the General Data Protection Regulation (GDPR) to help Members understand the new legal framework in the EU. It explains the similarities with the existing UK Data Protection Act 1998 (DPA), and describes some of the new and different requirements.

The GDPR will apply in the UK from 25 May 2018. The government has confirmed that the UK's decision to leave the EU will not affect the commencement of the GDPR.
