

Community Offices Update 2016/17

Director: Ian Clarke, Support Services
Assistant Director: Helen Rutter, Communities Lead
Lead Officer: Lisa Davis, Community Office Support Manager
Contact Details: lisa.davis@southsomerset.gov.uk 01935 462746

Purpose of the Report

- To update Area North Committee on the footfall/enquiry figures across the district for the period April 2016 through to the end of March 2017.
- To highlight the low and continuously declining, core service footfall in Langport and request approval to implement changes to the provision of face to face contact in this area with effect from 2 January 2018.

Recommendation

- Members are asked to note and comment on the contents of this report.
- To continue to provide face to face services in an alternative way to best suit customer demand and withdraw from Langport Community Office.

Background

The community offices are located in Petters House, Yeovil, Crewkerne, Chard, Ilminster, Langport and Wincanton and are managed by the Community Office Support Manager and Deputy Community Office Support Manager. There are 13 (9.5FTE) Community Support Assistants (CSA) across the team who provide customer access to services at the six Community offices. They also provide vital project and administrative support to the Area Development Teams.

The main SSDC services that customers visit our offices for are:

Housing and Council Tax Benefits	Receipt, verification and scanning of applications forms and evidence, general advice and guidance
Council Tax	Advice and guidance on moving in/out of area, discounts and exemptions and instalment plans, processing of payments (debit cards)
Homefinder (online social housing service)	Help with accessing the Homefinder service and weekly bidding process
Waste and Recycling	Advice on collection days, missed collection reports, ordering of new/replacement bins, garden waste payments
StreetScene	Report litter, fly tipping, dead animals, discarded needles, dangerous and stray dogs, dog fouling and graffiti
Community Protection	Report pest problems (rats, wasps, insects)
Horticulture	Report problems with shrub / tree / hedge maintenance
Planning/Building Control	Hand out application forms, view applications online
Community Safety	Recording incidents

Not all offices have exactly the same facilities either due to location or number of customers.

- Cash machines are available in Petters House and Chard.
- There is free public computer access in Petters House, Chard, Crewkerne & Wincanton allowing customers to access online services through self-service or assisted self-service.
- Free phone access to SSDC services in Petters House, Chard & Wincanton.

- All offices are co-located with other authorities/agencies.
- All front offices have a hearing loop.
- All offices are fully accessible, except for Ilminster where it hasn't been possible to fully adapt.

The community offices provide a face to face service and enables customers to receive advice and assistance to many SSDC services, as well as the ability to refer or signpost to other agencies where necessary. They ensure vulnerable members of the community and those who find it difficult or unable to contact the council by other means are able to fully access our services.

As well as the community offices, increasingly customers will access SSDC services over the phone and/or via the SSDC website. The number of services available online is increasing.

All Community Support Assistants are trained to deal with the wide range of front office enquiries and are able to cover any community office ensuring that full opening hours are maintained across the district. Generally there is only one member of staff on the front desk, but back up support is provided in the busier offices (Petters & Chard) to help reduce customer waiting time.

The Community Support team have access to the online referral system which enables them to refer customers as appropriate to the Welfare Benefits team and outside agencies such as CAB, SSVCA. There is a weekly surgery held by the Welfare Benefits team in the Crewkerne Community office and the Welfare Benefits Advisors provide support and advice to many of the visitors to the front office. They work closely with the Community Support team to raise awareness of the benefits that people may be entitled to. During 2016 - 17 the team made around 160 Welfare benefit referrals.

The team also have the ability to support the Contact Centre by answering calls from the area offices in order to help reduce call waiting times during busier periods.

Highlights

- The Langport front office saw a total of 1,591 customers and visitors in 2016 -17. There was a 1% reduction for core services compared to 2015-16 (Housing Benefit, Council Tax, Housing & Homelessness and Refuse & Recycling).
- Across the Community Offices the overall footfall has reduced by 11% with core service footfall reducing by 13% from the previous year.
- Web transactions have increased by 10% from the previous year. It should be noted that this is a lower increase compared to last year but during 2015-16 there was a large increase in the number of web services made available.
- It should be noted that the offices at Petters House, Chard & Wincanton have their own bookable meeting rooms and visitors for meetings are included as part of the reception duties footfall and therefore part of the overall footfall figures.
- During 2016 - 17 there were 3,018 benefit application forms received by SSDC, this is a reduction of 11.8% from 2015 – 16. Of this number 29% of applications were received online, compared to 20% in 2015 -16.
- The Benefits team have enhanced the on-line provision of their forms and receipt of evidence and customers are encouraged to apply for Housing Benefit online rather than being issued with a paper form.

- Universal Credit was fully rolled out across South Somerset in April 2017; this means that anyone of working age who has a rent liability no longer claims housing benefit from the Council. Instead they claim Universal Credit from DWP who from June 1st will notify us of anyone claiming that has a liability for Council Tax. The Community Support Assistants are assisting customers who are digitally challenged with online Universal Credit claims in the community offices at Petters House, Chard and Wincanton.
- Cash machine transactions have reduced in Petters (7,511 transactions – a decrease of around 1,400 from the previous year) in Chard (5,809 transactions – a decrease of around 700 from the previous year). Transactions at Brympton Way cash machine for 2016-17 were 2,879, which is an increase of around 400 from the previous year. The number of customers paying their Council Tax by Direct debit has increased with approximately 69% of bills now being paid by Direct Debit (this is a 4% increase from last year).

Customer satisfaction

Our annual customer satisfaction survey was completed in March 2017

Customer age group analysis

16-29	18%
30-44	26%
45-59	24%
60-74	24%
75+	7%

The team once again received a 99% satisfaction score of Good or Very Good relating to the overall service received

97% of customers rated the waiting time before being seen as Good or Very Good

99.6% rated the knowledge of the staff as Good or Very Good

98% of customers said that the CSA had been able to provide the information or help that was needed with the other 2% of customers being referred to another agency.

Comments received from customers on help provided and the service office included:

“Service was excellent”

“Very helpful people”

“Could open on Saturday mornings”

“I think on the budget SSDC have it is as good as it gets”

“Customer service was great”

“I think the service is as good as it gets and always a pleasure visiting the office”

“Longer opening hours”

Customers were also asked why they had chosen to call at the office rather than using another office, phone us or use our website

64% of customers said the office was near to their home, 3% did not have access to a computer or website access on their phone and 8% said they found it easier to communicate face to face due to speech, hearing or language problems.

33% of customers have used the SSDC website in the past and 23% said they have not used the website because they have no internet access

73% prefer to visit the community office

Comments received from customers on why they use the offices:

"I prefer to come to the office, despite not having any of the access difficulties"

"Easier face to face as they can tell you what's what and help"

"I like contact in person"

"Required to provide documents"

"Had to bring in proof"

Key facts relating to Langport

- Langport Community office is open 15 hours per week (9am – 2pm Monday, Tuesday and Thursday).
- The total footfall at Langport during 2016-17 was 1,591, only 4.6% of the overall footfall into the community offices. 683 of these customers accessed a core service.
- Around 10,000 (33%) customers visiting the Community Offices came in for benefits help, queries, or to provide additional information/evidence in support of their benefit applications. Only 3.7% of the total benefits queries were dealt with at Langport.
- 295 (18%) of the enquiries dealt with at Langport during 2016-17 related to the receipt of benefits evidence, an additional 35 (2%) customers were assisted with benefits claims/evidence.
- The full rollout of Universal Credit in April 2017 has resulted in a reduction in receipt of benefits evidence. During the period April – July 2017 there has been a 41% reduction in the receipt of benefits evidence at Langport compared with the same period last year.
- It should be noted that although there was only an increase in footfall last year there are many repeat visitors to the community offices, although we do not have detailed information of these we are aware that many customers visit Langport to access repeat transactions ie. monthly payment of Council Tax.
- During 2016-17 595 customers received non SSDC advice/signposting, the main reason for this was due to the reduction in LIC opening hours which meant that the Community Support Assistant dealt with an increase in LIC enquiries outside of their opening hours.
- During a three week period in July/August 2017 additional information was recorded relating to the visitors to the Langport Community office, in particular relating to where they live and service required.

Total no. of visitors over the three week period

Number of SSDC related visitors	25
Average per day	1.8

Visitor information requesting SSDC services only

Location	Regular user	New user	Service required	Priority Group - Older People, Carers, the Disabled and people from different racial/ethnic backgrounds
Barton St. David	1	0	Benefit	None
Curry Rivel	1	0	Housing	None
Martock	1	0	Homefinder	None
Pitney	1	0	Benefit	None
Somerton	2	2	1 Benefit, 1 Council Tax, 1 Waste, 1 Careline	2 older
Westport	0	1	Benefit	None
Langport & Huish	10	6	5 x Benefit, 1 x Waste, 4 x Council Tax, 4 x Homefinder, 1 x Careline, 1 x general	3 older 2 disabled 1 English not there first language

1 out of the 25 visitors during the three week period said that they would be unable to access the service via another method and fell into the above Priority Group.

Proposal for customer service delivery in Langport

In the coming months the Council's Transformation programme will focus on the needs and preferences of customers that use the network of community offices. In the meantime we will continue to work with other SSDC services to ensure that we are fully aware of any changes and that the Community Support Assistants have the knowledge and access to the systems to provide the most efficient and effective front facing service.

With an increase in digital access there is a continuing need to support customers to access services online and raise awareness of alternative methods to access information and services to ensure that service provided best meets the needs of the customer.

The continuing low footfall at Langport Community office means that it would seem an appropriate time to look at the face to face provision in this area. The current business model is no longer feasible and this is an opportunity to continue to provide a service by alternative methods and ascertain valuable information to inform the transformation programme going forward.

Recommendation:

- Over a three month lead in period withdraw from Langport Community Office focus on encouraging and supporting customers to access services online and raise awareness of alternative methods to access information and services to ensure that the service provided best meets the needs of the customer
- During the three month period liaise with other SSDC departments and the Transformation team to flag up and resolve customer issues raised and review outcomes

- During the three month period review alternative suitable venues to meet with customers within Langport for example Library, Doctors surgeries. This also gives us an opportunity to forge working relationships with other authorities/organisations.
- Following the three month period we would offer appointment based surgeries/visits as appropriate for those customers requiring further assistance – i.e. customers who are unable to conduct SSDC business by any other means or access another office.

This proposal has been endorsed by Senior Leadership Team as a good way of testing various aspects of service delivery through transformation.

Community Support staff who continue to:

- assist and encourage customers to move over to digital services where possible
- assist and run an appointment based service for vulnerable customers who are unable to access SSDC services by any other means
- promote digital by default campaigns – ie uploading benefit/Council Tax evidence, online benefit/Council Tax applications, paying Council Tax by direct debit
- provide additional project support to the Area Development teams

To enable the appointment based surgeries to take place one off costs of up to £75 (for a wi-fi enabled tablet) or up to £500 (for a 3G enabled tablet) would be incurred. If 3G enabled tablets were purchased there would be an additional monthly cost of up to £15 per month for each device.

Financial Implications

There would be no new budgetary implications. Costs will be covered within the existing budget.

Council Plan Implications

Focus on Health and Communities. Continue to provide Welfare Benefits support and advice to tackle poverty for our vulnerable residents.

Carbon Emissions & Climate Change Implications

Reduce carbon emissions by increasing awareness of local offices and use of alternative methods of contact i.e. online transactions

Equality and Diversity Implications

All front desk services are accessible, except our Ilminster office, which can only be improved if alternative suitable premises can be found.

Equality Analysis Assessment have been completed for Langport Community Office – please see Appendix A.
