

Section 4 Executive Functions

Most day to day operational decisions are delegated to Officers. The majority of decisions made at member level (i.e. decisions taken by councillors) relate to activities which are defined as “executive matters” and can only be dealt with by the Executive (known in South Somerset as the “District Executive”)

This means that:

- Members of the Council who are not on the District Executive cannot take these decisions
- Full Council itself cannot take executive decisions
- Non-executive or regulatory committees cannot take executive decisions
- The Executive can take decisions collectively or:
 - Individual members of the District Executive may take decisions where the District Executive or the Leader of the Council has approved such arrangements (to be shown in this section of the Constitution or by a subsequent written authorisation by the Leader or District Executive).
 - Area Committees may be given delegated authority to exercise both “executive” and “non-executive” functions. All executive delegations will be shown in this section.
 - The Executive may appoint, and delegate functions to Executive Committees as identified in this section.
 - Joint committees established by the Executive may exercise executive functions and where established by the Council may exercise a combination of executive and non-executive functions. All executive delegations will be shown in this section.
 - Officers may exercise executive functions. These will be identified in Section 6 of this part of the Constitution.
