The Council Plan 2016 – 21 details the Council Plan themes and Areas of Focus:

- Protecting Core Service
- Economy
- Environment
- Housing
- Healthy, Self-Reliant Communities

The Council Plan also includes six Priority Projects for 2019-20 of which priority five covers enabling housing. This priority is to develop proposals to accelerate the delivery of key housing sites and associated infrastructure. One of the key milestones for this priority was to set up Community of Practice (expert working group) to set objectives and outcomes to accelerate the delivery of key housing which includes affordable housing. As part of this work we are attending the four area committees to deliver a presentation along with our main partner registered providers cover the following areas:

- Increase awareness of affordable housing in the district,
- Show how our work links in with the Council Plan and Local Plan,
- The housing needs in each area
- How we work with registered providers to provide this much needed housing.
