This arrangement means that political balance on an area committee will not necessarily reflect the political balance of the Council overall. An area committee has some executive functions delegated to it by the District Executive such as local grant-giving and is responsible for the area budget. It also has functions, which are not the responsibility of the Executive, such as planning and community initiatives.

Part 2 – Article 10 May 2019

(b) **Delegations.** The Council and the District Executive will include details of the delegations to area committees in Part 3 of this Constitution. It shows which delegated functions are the responsibility of the District Executive and which are not, the composition and membership of the committees, budgets and any limitations on delegation.

10.03 Conflicts of interest – membership of Area Committees and Scrutiny Committee or Scrutiny Commission

Conflict of interest. If the Scrutiny Committee is scrutinising specific decisions or proposals in relation to the business of the area committee of which the councillor concerned is a member, then the councillor may not speak or vote at the Scrutiny Committee meeting without the consent of the Chairman.

10.04 Area Committees – access to information

Area committees will comply with the Access to Information Rules in Part 4 of this Constitution.

Agendas and notices for area committee meetings which deal with both functions of the District Executive and functions which are not the responsibility of the Executive will state clearly which items are which.

10.05 District Executive members on Area Committees

A member of the District Executive will serve on the Area Committee for which they are eligible as a councillor.
