Report Detail

Taxis & Private Hire Vehicles

General

The Licensing Enforcement Officer carried out weekly day time checks and several late night checks during the past six months. The checks were carried out in and around the centre of Yeovil and the purpose of them was to ensure compliance with the Council's Private Hire and Hackney Carriage Policy and Bylaws.

During the previous six months, two taxi and private hire joint agency vehicle enforcement checks with the Police were completed. Advice was given to drivers on various issues, further dates have been arranged with the police throughout the next three months.

Monthly taxi checks continue to be carried out at the Pen Mill, Yeovil Junction, Crewkerne and Castle Cary railway stations in order to ensure that vehicles which tend to use the ranks in and around the main towns are also subject to ad hoc inspections.

Thirty seven taxi/private hire related complaints were received in the past six months, which resulted in the issuing of four stop/prohibition notices, two for vehicle damage and two for failure to provide proof of insurance;

The Licensing Enforcement Officer has issued penalty points on twenty one occasions for more minor issues in line with the Taxi Licensing Policy & Guidance.

Street Trading

There are seven permanent street traders; over one hundred and fifty consents for casual street trading were issued in the past six months.

Scrap Metal Dealers

The Licensing Enforcement Officer carried out bi-monthly compliance inspections on all scrap metal collectors and three monthly inspections for scrap metal site licence holders to ensure they are compliant with the requirements of the Scrap Metal Dealers Act.

Due to police restructuring the assistance of a dedicated Police Officer to accompany and assist the Licensing Enforcement Officer on these inspections is no longer available.

SSDC currently licence seventeen sites and twelve collectors.
