1. Briefing Session on Circular 01/06

1. Briefing Session on Circular 01/06

At approximately 3.15 p.m. the Area North Committee will be adjourned for a short briefing session on the implications of Circular 01/06. This will be conducted by Paula Goddard, Senior Legal Executive, David Norris, Development Control Team Leader and Simon Gale, Head of Development and Building Control.

The briefing will be restricted to the generality of the Circular itself and Members need to be reminded that any specific questions relating to a planning application appearing later on the agenda should be kept until then. This is more about helping you understand what the Circular says and what it means in practice when you consider applications that engage its provisions.

A note setting out in broad terms what the Circular means will be prepared and circulated to members by e-mail prior to the meeting.
