Purpose of the Report

This report informs members of the current Area North Committee Forward Plan.

Recommendation

Members are asked to:-

1. Comment upon and note the updated Area North Forward Plan as attached at Appendix A.
2. Note that the new Joint Area Committee will require a revised forward plan from January 2009
3. Consider their requirements for a report from the Somerset Waste Partnership and / or the Corporate Director (Environment)

Area North Committee Forward Plan

The following items are planned to provide an opportunity for detailed review of services, from either SSDC or other agencies, or to make key decisions affecting Area North. Regular reports are also provided to monitor the progress of the Area Development Plan, and use of resources under the control of the Area Committee.

Items are planned according to the month shown, however these are sometimes subject to change. The Forward Plan is updated each month, and included with the Area Committee Agenda.

Items marked in italics are not yet confirmed, due the attendance of additional representatives.

Information in support of recommendation 3 has been circulated separately.

Members are asked to note that Kim Sharp of Somerset Highways team will **not** be available at Area North Committee on 26th November 2008. Please pass any Highways issues to the Committee Administrator, who will forward them to Mr Sharp.

Further details on these items, or to suggest / request an agenda item for the Area North Committee, please contact the Agenda Co-ordinator; Angela Cox.
