## Information for the Public

The four Joint Area Committees covering South Somerset seek to strengthen links between South Somerset District Council, Somerset County Council and their local communities, allowing planning and other local issues to be decided at a local level (planning recommendations outside council policy are referred to the district wide Regulation Committee).

Decisions made by Joint Area Committees, which include financial or policy implications are generally classed as executive decisions. Where these financial or policy decisions have a significant impact on council budgets or the local community, agendas will record these decisions as “key decisions”. Members of the public can view the council’s Executive Forward Plan, either online or at any SSDC council office, to see what executive/key decisions are scheduled to be taken in the coming months. Non-executive decisions taken by Joint Area Committees include planning, and other quasi-judicial decisions.

At Joint Area Committee meetings members of the public are able to:

- attend and make verbal or written representations, except where, for example, personal or confidential matters are being discussed;
- at the Joint Area Committee Chairman’s discretion, members of the public are permitted to speak for up to up to 3 minutes on agenda items; and
- see reports and background papers, and any record of decisions made by Joint Area Committees, Council and the Executive.

Meetings of the Joint Area Committee - North are held monthly at 2.00pm on the 4th Wednesday of the month in village halls throughout Area North.

Agendas and minutes of Joint Area Committees are published on both Councils’ websites [www.somerset.gov.uk](http://www.somerset.gov.uk) and [www.southsomerset.gov.uk](http://www.southsomerset.gov.uk).

The Councils’ Constitutions are also on their respective web sites and available for inspection in council offices.

Further information about this Committee can be obtained by contacting the Agenda Co-ordinator named on the front page.

### Public Participation at Committees

This is a summary of the Protocol adopted by the Council and set out in Part 5 of SSDC’s Constitution.

### Public Question Time

The period allowed for participation in this session shall not exceed 15 minutes except with the consent of the Committee. Each individual speaker shall be restricted to a total of three minutes.

## Planning Applications

Comments about planning applications will be dealt with at the time those applications are considered, rather than during the Public Question Time session.

Comments should be confined to additional information or issues, which have not been fully covered in the officer's report. Members of the public are asked to submit any additional documents to the planning officer at least 72 hours in advance and not to present them to the Committee on the day of the meeting. This will give the planning officer the opportunity to respond appropriately. Information from the public should not be tabled at the meeting. It should also be noted that, in the interests of fairness, the use of presentational aids (e.g. PowerPoint) by the applicant/agent or those making representations will not be permitted. However, the applicant/agent or those making representations are able to ask the Planning Officer to include photographs/images within the officer's presentation subject to them being received by the officer at least 72 hours prior to the meeting. No more than 5 photographs/images either supporting or against the application to be submitted. The Planning Officer will also need to be satisfied that the photographs are appropriate in terms of planning grounds.

At the Joint Area Committee Chairman's discretion, members of the public are permitted to speak for up to 3 minutes each and where there are a number of persons wishing to speak they should be encouraged to choose one spokesperson to speak either for the applicant or on behalf of any supporters or objectors to the application. The total period allowed for such participation on each application shall not normally exceed 15 minutes.

The order of speaking on planning items will be:

- Town or Parish Council spokesperson
- Objectors
- Supporters
- Applicant/Agent
- Parish Council representative member (unless the planning application relates to the member's own Town or Parish Council)
- County Council Member of Joint Area Committees acting with Observer Status\*
- District Council Ward Member

If a member of the public wishes to speak they must inform the Joint Area Committee Administrator before the meeting begins of their name and whether they have supporting comments or objections and who they are representing. This must be done by completing one of the public participation slips available at the meeting.

In exceptional circumstances, the Chairman of the Joint Area Committee shall have discretion to vary the procedure set out to ensure fairness to all sides.

The same rules in terms of public participation will apply in respect of other agenda items where people wish to speak on that particular item.

**If a Councillor has declared a personal and prejudicial interest**

Under the new Code of Conduct, a Councillor will be afforded the same right as a member of the public, except that once the Councillor has addressed the Joint Area Committee the Councillor will leave the room and not return until after the decision has been made.

**Excepted Business**

Somerset County Councillors will have Observer Status only in relation to all “Excepted Business” identified in the Agenda. Excepted Business refers to all financial decisions involving the District Council’s budgets and all “major” planning applications or any other matters relating to the District Council’s Development Control functions. South Somerset District Councillors may vote on all agenda items, where appropriate.

**\* What does Observer Status Mean?**

For the purposes of this Agenda, Observer Status is defined as meaning Councillors may participate fully in the discussion but may **not** vote. This currently applies to Somerset County Councillors in relation to all Excepted Business (as defined above) and to Parish Representatives in relation to all matters.

**Parish Representatives**

Parish Representatives will hold Observer Status in relation to all matters. However, where the representative’s Parish Council is affected by a planning application then the representative must make representations at the usual point, as would be the case with any other Parish Council spokesperson and would **not** be able to also participate in the debate in relation to that item. The Parish Council Representative is appointed to represent the parish perspective from within Area North.
