

Planning Applications – 28 October 2009

Planning Applications will not be considered before 4.00 pm

Members of the public who wish to speak about a particular planning item are recommended to arrive at 3.45 p.m.

The inclusion of two stars (**) as part of the Head of Development & Building Control's recommendation indicates that the application will need to be referred to the Regulation Committee if the Area Committee is unwilling to accept that recommendation.

The Lead Planning Officer, at the Committee, in consultation with the Chairman and Solicitor, will also be able to recommend that an application should be referred to Regulation Committee even if it has not been two starred on the Agenda.
