Scrutiny Procedure Rules

Please note that decisions taken by Area Committees may be "called in" for scrutiny by the Council's Scrutiny Committee prior to implementation. This does not apply to decisions taken on planning applications.

Consideration of Planning Applications

Members of the public are requested to note that the Committee will break for refreshments at approximately 6.45 p.m. Planning applications will not be considered before 7.00 p.m. The public and representatives of Parish/Town Councils will be invited to speak on the individual planning applications at the time they are considered. Anyone wishing to raise matters in relation to other items on the agenda may do so at the time the item is considered.

Members Questions on Reports prior to the Meeting

Members of the Committee are requested to contact report authors on points of clarification prior to the Committee meeting.

Information for the Public

The Council has a well-established Area Committee system and through four Area Committees seeks to strengthen links between the Council and its local communities, allowing planning and other local issues to be decided at a local level (planning recommendations outside council policy are referred to the district wide Regulation Committee).

Decisions made by Area Committees, which include financial or policy implications are generally classed as executive decisions. Where these financial or policy decisions have a significant impact on council budgets or the local community, agendas will record these decisions as “key decisions”. Members of the public can view the council’s Executive Forward Plan, either online or at any SSDC council office, to see what executive/key decisions are scheduled to be taken in the coming months. Non-executive decisions taken by area committees include planning, and other quasi-judicial decisions.

At Area Committee meetings members of the public are able to:

- attend and make verbal or written representations, except where, for example, personal or confidential matters are being discussed;
- at the Area Committee Chairman’s discretion, members of the public are permitted to speak for up to up to 3 minutes on agenda items; and
- see agenda reports.

Meetings of the Area West Committee are held monthly at 5.30 p.m. on the 3rd Wednesday of the month in venues throughout Area West.

Agendas and minutes of Area Committees are published on the Council’s website www.southsomerset.gov.uk

The Council’s Constitution is also on the web site and available for inspection in council offices.

Further information about this Committee can be obtained by contacting the agenda co-ordinator named on the front page.

Public Participation at Committees

This is a summary of the Protocol adopted by the Council and set out in Part 5 of the Council’s Constitution.

Public Question Time

The period allowed for participation in this session shall not exceed 15 minutes except with the consent of the Chairman of the Committee. Each individual speaker shall be restricted to a total of three minutes.

Planning Applications

Comments about planning applications will be dealt with at the time those applications are considered, rather than during the Public Question Time session.

Comments should be confined to additional information or issues, which have not been fully covered in the officer’s report. Members of the public are asked to submit any additional

documents to the planning officer at least 72 hours in advance and not to present them to the Committee on the day of the meeting. This will give the planning officer the opportunity to respond appropriately. Information from the public should not be tabled at the meeting. It should also be noted that, in the interests of fairness, the use of presentational aids (e.g. PowerPoint) by the applicant/agent or those making representations will not be permitted. However, the applicant/agent or those making representations are able to ask the Planning Officer to include photographs/images within the officer's presentation subject to them being received by the officer at least 72 hours prior to the meeting. No more than 5 photographs/images either supporting or against the application to be submitted. The Planning Officer will also need to be satisfied that the photographs are appropriate in terms of planning grounds.

At the Committee Chairman's discretion, members of the public are permitted to speak for up to 3 minutes each and where there are a number of persons wishing to speak they should be encouraged to choose one spokesperson to speak either for the applicant or on behalf of any supporters or objectors to the application. The total period allowed for such participation on each application shall not normally exceed 15 minutes.

The order of speaking on planning items will be:

Town or Parish Council Spokesperson
Objectors
Supporters
Applicant/Agent
District Council Ward Member
County Council Division Member

If a member of the public wishes to speak they must inform the committee administrator before the meeting begins of their name and whether they have supporting comments or objections and who they are representing. This must be done by completing one of the public participation slips available at the meeting.

In exceptional circumstances, the Chairman of the Committee shall have discretion to vary the procedure set out to ensure fairness to all sides.

The same rules in terms of public participation will apply in respect of other agenda items where people wish to speak on that particular item.

If a Councillor has declared a personal and prejudicial interest

Under the new Code of Conduct, a Councillor will be afforded the same right as a member of the public, except that once the Councillor has addressed the Committee the Councillor will leave the room and not return until after the decision has been made.

Additional Guidance for the Public – Core Strategy

Please note:

At the Chairman's discretion, members of the public are permitted to speak for up to 3 minutes each. Further details are given below.

Registering to speak

If a member of the public wishes to speak to the committee about the Core Strategy item on the Area West agenda, a public participation slip must be completed and handed to the Committee Administrator before the meeting starts. Forms will be available at the meeting.

The forms ask for your name, the parish or village you represent and/or wish to speak about, and the relevant part of the Core Strategy item you wish to speak about – this will help the Chairman to call you forward to speak at the appropriate time. Don't worry if this sounds a little confusing as staff will be available at the meeting venue 30 minutes before the meeting starts to offer assistance and guidance on the completion of forms.

For the Core Strategy agenda item only

This agenda item is split into three sections – Part 1, Part 2 and Part 3. Members of the public will have the opportunity to speak on each section.

When the meeting commences

The officer will give a short presentation on Part 1. The Chairman will then call forward by name the people who have registered to speak to the committee (using the public participations slips) in the following order: Town/Parish spokesperson(s) first, followed by other members of the public. The committee will then debate/discuss Part 1 – during which time the public will not be permitted to speak.

The officer will then give a short presentation on Part 2, and the same process as above will be repeated, and the same again for Part 3.

IMPORTANT

At the Chairman's discretion, members of the public are permitted to speak for up to 3 minutes each - once in Part 1, once in Part 2 and once in Part 3. Where there are a number of persons wishing to speak about the same issue, they will be encouraged to choose a spokesperson. Speakers wherever possible should not repeat comments made by previous speakers.

A public participation slip must be completed in order to speak to the committee.

Agenda

Preliminary Items

1. **To approve as a correct record the minutes of the previous meeting held on 15th February 2012**
2. **Apologies for Absence**
3. **Declarations of Interest**

In accordance with the Council's Code of Conduct, which includes all the provisions of the statutory Model Code of Conduct, Members are asked to declare any personal interests (and whether or not such an interest is "prejudicial") in any matter on the agenda for this meeting. A personal interest is defined in paragraph 8 of the Code and a prejudicial interest is defined in paragraph 10. In the interests of complete transparency, Members of the County Council, who are not also members of this committee, are encouraged to declare any interests they may have in any matters being discussed even though they may not be under any obligation to do so under the code of conduct.

Planning Applications Referred to the Regulation Committee

The following members of this Committee are also members of the Council's Regulation Committee:

Cllr. Mike Best
Cllr. Ros Roderigo
Cllr. Angie Singleton
Cllr. Linda Vijeh

Where planning applications are referred by this Committee to the Regulation Committee for determination, in accordance with the Council's Code of Practice on Planning, Members of the Regulation Committee can participate and vote on these items at the Area Committee and at Regulation Committee. In these cases the Council's decision-making process is not complete until the application is determined by the Regulation Committee. Members of the Regulation Committee retain an open mind and will not finalise their position until the Regulation Committee. They will also consider the matter at Regulation Committee as Members of that Committee and not as representatives of the Area Committee.

4. **Public Question Time**

This is a chance to ask questions, make comments and raise matters of concern.

Parish/Town Councils may also wish to use this opportunity to ask for the District Council's support on any matter of particular concern to their Parish/Town.
