### Purpose of the Report

This report is to confirm that the action plan for improvement has been agreed between the Head of Streetscene and the South West Audit Partnership.

### Recommendations

To note the completion of the stores audit action plan.

### Report

Members of the Audit Committee requested that a short report was presented to ensure that the action plan following the audit of the stores service had been signed off to the satisfaction of the South West Audit Partnership. I can confirm that this has taken place.
