# Information for the Public

The purpose of the Audit Committee is to provide independent assurance of the adequacy of the risk management framework and the associated control environment, independent scrutiny of the authority's financial and non-financial performance, to the extent that it affects the authority's exposure to risk and weakens the control environment and to oversee the financial reporting process.

The Audit Committee should review the Code of Corporate Governance seeking assurance where appropriate from the Executive or referring matters to management on the scrutiny function.

The terms of reference of the Audit Committee are:

1. To approve the Strategic and Annual Internal Audit Plans;
2. To receive summaries of Internal Audit reports and seek assurance from management that action has been taken.
3. To consider the reports of external audit and inspection agencies and seek assurance from management that action has been taken.
4. To consider the effectiveness of SSDC's risk management arrangements, the control environment and associated anti-fraud and corruption arrangements and seek assurance from management that action is being taken.
5. To review the annual Statement of Internal Control and monitor associated action plans.
6. To review the SSDC's Code of Corporate Governance and ensure it is kept up to date and reflects best practice. This will include regular reviews of the Council's Constitution and an overview of the risk management.
7. To receive reports from management on the promotion of good corporate governance.
8. To review and approve the annual Statement of Accounts, external auditor's opinion and reports to members and monitor management action in response to issues raised.

Meetings of the Audit Committee are held monthly including at least one meeting with the Council's external auditor.
