Purpose of the Report

This report has been prepared for the Audit Committee to approve the Annual Governance Statement (AGS) for 2008/09.

Recommendation

To approve the 2008/09 Annual Governance Statement.

Background

As a local authority SSDC is required to demonstrate compliance with the underlying principles of good governance and that a framework exists to demonstrate this. One of the Councils requirements in demonstrating this is to produce an Annual Governance Statement (AGS).

The Chartered Institute of Public Finance and Accountancy (CIPFA) provides guidance on the processes for the establishment, operation and review of the system of internal control. Their guidance also provides help on the format and content of the AGS.

Annual Governance Statement

Regulation 4, of the Accounts and Audit Regulations includes a requirement to publish an Annual Governance Statement (AGS) (attached at pages 46-51). Previously local authorities were required to include a Statement of Internal Control (SIC) with their statement of accounts. The regulations now require authorities to carry out a review of the effectiveness of their system of internal control and to include an Annual Governance Statement in the annual accounts. This is to provide assurance that SSDC has a sound internal control framework in place to manage the risks that might prevent achievement of its statutory obligations and organisational objectives.

The Annual Governance Statement will continue to be signed by the Leader of the Council, the Chief Executive, and the Section 151 Officer. The framework used for this review is attached at Appendix A (page 52).

In January 2008 the Audit Committee approved a revised Local Code of Corporate Governance. This updated the Council's code to reflect best practice. In producing the Annual Governance Statement reports from the Audit Commission, South West Audit Partnership, a review of the effectiveness of internal audit, the annual review of the Group Auditor, and a review of all statements of Internal Operational Controls have been undertaken. The review has been completed by the Corporate Governance Group (the Chief Executive, Monitoring Officer, and S151 Officer). There are no significant issues to be addressed and a number of actions are planned to further strengthen the control framework. The actions will be monitored and reviewed by the Audit Committee in 2009/10.

Financial Implications

There are no financial implications associated with these recommendations.
