

## **Street Trading – Appendix 4**

### EXAMPLES OF CONDITIONS THAT MAY BE ADDED TO CONSENT

#### **General**

The Council retains the right to alter the allocated sale area in the event of unforeseen circumstances.

Consent holders and their assistants must not trade under the influence of any illegal or intoxicating substance. Any traders found with illegal substances on their pitch will have their Consent revoked.

The Council reserves the right to exercise its powers under the Local Government (Miscellaneous Provisions) Act 1982 to prohibit any street trading for a maximum of six days in any one year where it is deemed necessary by the Council subject to notice in writing at least 14 days prior to removing the consent day(s).

Traders and their assistants employed by them shall ensure the public are treated fairly and with courtesy at all times.

#### **Site Conditions**

The trader will be responsible for cleansing the trading area and ensure that all refuse arising as a result of the activities of the trader shall be placed in suitable covered containers provided by the trader, unless otherwise provided by the Council, and shall be kept exclusively for that purpose. Such refuse containers shall be kept as clean as is reasonably possible and refuse is disposed of in an approved manner on a daily basis.

The trader when operating on a static site shall have access to suitable and sufficient sanitary accommodation for both the consent holder, and any persons employed in the street trading activity.

Advertisements or other notices must not be placed outside of the area of the street trading site, without the written approval of the Councils' planning department. The trader shall not directly or indirectly hawk, tout or solicit custom for or advertise by way of flyer, public address system or otherwise without the express written consent of the Council.

The trader shall not place on the street or in a public place any furniture or equipment other than as permitted by the consent and he/she must maintain the same in a clean and tidy condition and not place them so as to obstruct the entrance or exit from any premises.

The trader shall trade only from the position, which is detailed on the consent, unless directed to or agreed to by the Licensing Authority.

## **Street Trading – Appendix 4**

Trading may only take place on the days and during the times specified on the consent without special authorisation being given in writing from the Council.

The trader must not cause or allow to be caused any damage to the street surface, street furniture, lighting and landscaping within the permitted area and will be responsible for the making good of any such damage.

The street trading consent plate issued by the Council must be conspicuously displayed in a place where the public may view it.

Where a structure is not removed at the end of the trading day, no additional permanent or semi-permanent additions or paving shall be erected or constructed adjacent to the structure for which, consent has been granted.

No signage or objects shall be placed on the highway or area surrounding the vehicle/premises unless agreed by the Council. Fly posting within the South Somerset District Council area is not permitted.

Traders shall not allow any obstruction to fire hydrants, manholes or other street furniture etc, resulting from their business.

No mobile generators shall be used without the express permission of the Council. Where permission is granted generators shall be so positioned that:  
- they do not present a danger to the public, do not present a fire or similar hazard to the stall, goods displayed thereon or adjoining premises and do not give rise to a nuisance by reasons of noise, vibration, smoke or smell.

No combustible materials are to be stored in the vicinity of a generator and suitable first aid and fire fighting appliance(s) must be immediately available.

Wherever possible all generators must be fuelled by diesel oil.

No fuel may be stored in the vicinity of a generator.

Generators must not be filled up during the trading day. All generators should be filled up at the start of the day before trading.

The consent holder shall ensure that any equipment, such as a generator, is in a safe working condition and suitably cordoned off to ensure that the general public do not have access to the equipment.

All traders using any form of power must have a minimum of a one-litre fire extinguisher suitable for use on the type of equipment being used.

## **Food Trading**

Vans and stalls used for cooking must be adequately ventilated.

## **Street Trading – Appendix 4**

All staff must have attended, as a minimum. “level 1” Food Hygiene training within the past 5 years. Evidence of Food Hygiene training must be available for examination by an authorised officer of the Council at any time when the unit is trading.

A valid food registration certificate is in force for the business

### **Yeovil Town Centre Conditions**

(These are in addition to those specified above)

If a trader is not using a pitch for a period longer than seven days then the trader/consent holder must notify the Town Council.

Vehicles may only be used for delivery before 10.30am and after 5.30pm in the consented areas. Once any vehicles have been unloaded, they should be removed from the consented area immediately.

The roof awning or any other projection shall be contained within the pitch area unless agreed by the Council.

All goods, containers or other articles shall be contained within the consented pitch area and shall not project beyond.

Traders shall not use or permit to be used on the pitch area or within the immediate vicinity any radio, cassette or CD players or other equipment or apparatus to produce music or other amplified sound.
