## Information for the Public

### What is Scrutiny?

The Local Government Act 2000 requires all councils in England and Wales to introduce new political structures which provide a clear role for the Council, the Executive and non-executive councillors.

One of the key roles for non-executive councillors is to undertake an overview and scrutiny role for the council. In this Council the overview and scrutiny role involves reviewing and developing, scrutinising organisations external to the council and holding the executive to account

Scrutiny also has an important role to play in organisational performance management.

The Scrutiny Committee is made up of 14 non-executive members and meets monthly to consider items where executive decisions need to be reviewed before or after their implementation, and to commission reviews of policy or other public interest.

Members of the public are able to:

- attend meetings of the Scrutiny Committee except where, for example, personal or confidential matters are being discussed;
- speak at Scrutiny Committee meetings; and
- see reports and background papers, and any record of decisions made by the Council and the executive.

Meetings of the Scrutiny Committee are held monthly at 10.00am on the second Thursday of the month in the Council Offices, Brympton Way, Yeovil.

Agendas and minutes of these meetings are published on the Council's website [www.southsomerset.gov.uk](http://www.southsomerset.gov.uk).

The Council's Constitution is also on the web site and available for inspection in council offices.

Further information can be obtained by contacting the agenda co-ordinator named on the front page.
