## Somerset Waste Board – Forward Plan November 2011 to February 2012

### Important Note

The Somerset Waste Partnership is required to publish a forward plan of key decisions. The Waste Board's Standing Orders sets out its definition of a key decision. In addition to key decisions, the forward plan shown below lists all the business to be transacted by the Somerset Waste Board during the period of the Plan, which will also include reports for information. Agendas and reports for Waste Board meetings are published on the County Council's website at least five clear working days before the meeting date. The Plan is rolled forward on a monthly basis. *Where possible the Somerset Waste Partnership will attempt to keep to the dates shown in the Plan. It is quite likely, however, that some items will need to be rescheduled and new items added as new circumstances come to light.* Please ensure therefore that you refer to the most up to date plan. Revised versions of the forward plan will be published on the following dates:-

- 14 October 2011 covering November 2011 to February 2012
- 16 November 2011 covering December 2011 to March 2012
- 16 December 2011 covering January 2012 to April 2012
- 16 January 2012 covering February 2012 to May 2012

The most up to date version of the plan is available:
