South Somerset District Council

Business Plan & SWP update

10th February 2022

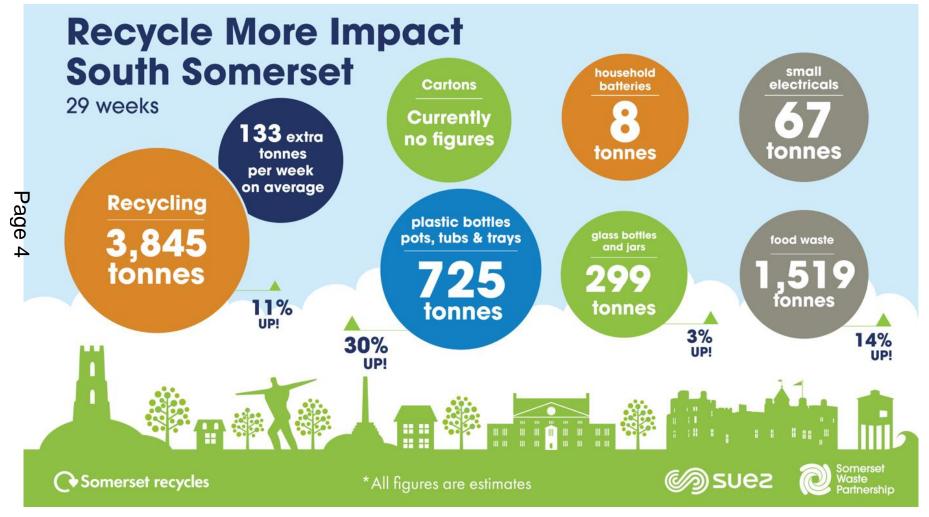

Recycle More: Mendip

Usual health warning on all data: Aimed to remove impact of Covid but this is not an exact science

Recycle More: South Somerset

Usual health warning on all data: Aimed to remove impact of Covid but this is not an exact science

Recycle More: Resident Feedback

Recycle More Mendip customer survey

Total responses: 1,829

of residents said Recycle More has made it easier to recycle

of residents agreed that the new service is an improvement

people felt their bin was the right size, and 10% that it is too big.

What items are you recycling more of?

75% Cartons

38% Batteries

33% Electricals

42% Tins and cans

41% Plastic bottles

25% Food

Understanding the new service

91% know what can be recycled

94% Most know how to separate materials

60% easy to remember rubbish collection days

84% found the leaflets helpful

86% Most people remember recycling day easily

67% easy to store rubbish between collections

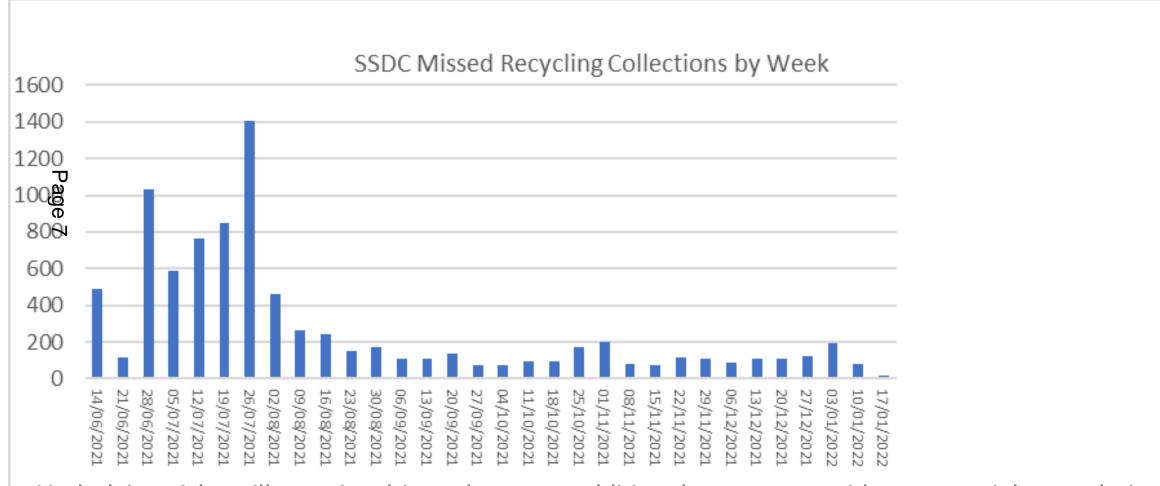

What happened to your recycling

Somerset Waste Partnership

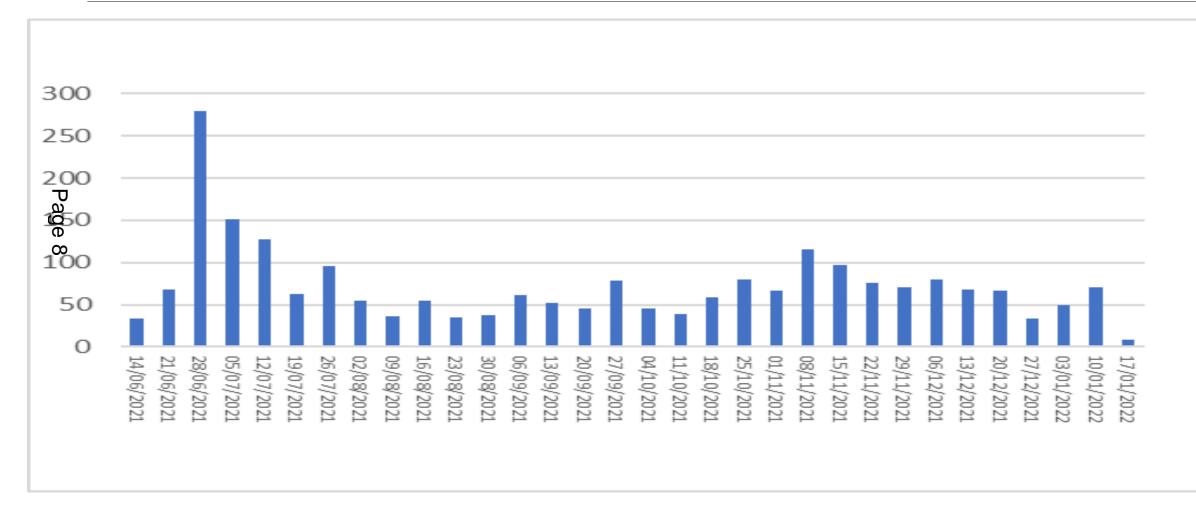

Service stability: recycling

Underlying risks still remain: driver shortage, additional tonnage, covid, commercial, cumulative exhaustion and pressure...

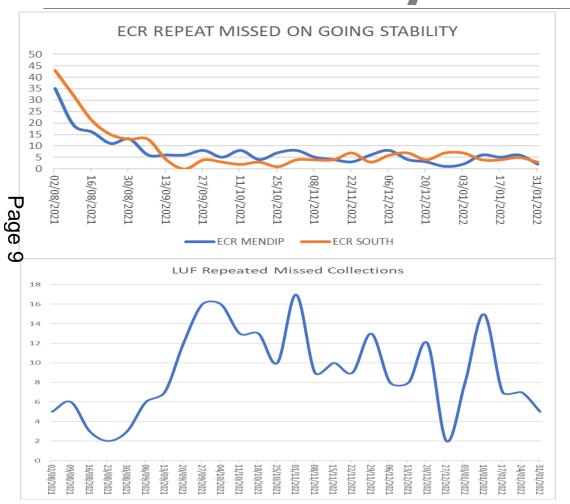

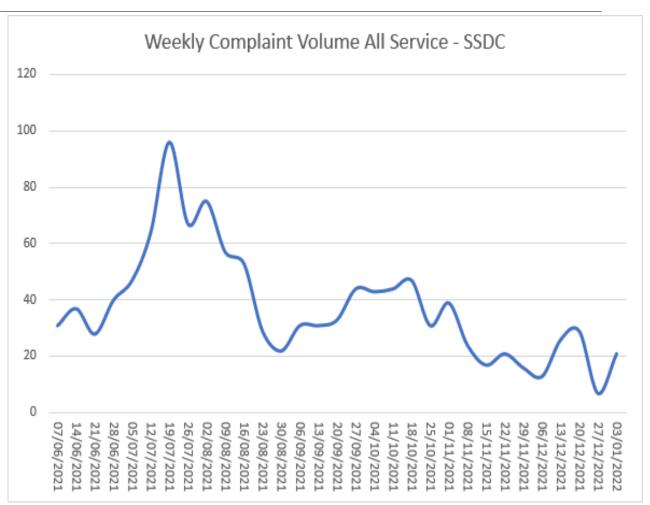

Service stability: refuse

Service stability

Services in South Somerset are based in Evercreech and Lufton. Significant improvement in Evercreech and Lufton improving but still an outlier: key area of focus for SWP/SUEZ

Business Plan overall approach

This year's plan is an evolution rather than a revolution but aims to reflect:

- the impact of service disruption in 2020/21,
- the ongoing impacts of a national driver shortage,
- the ongoing pandemic and the pressure this has created on SWP, SUEZ and partner staff,
- the transition to a unitary authority

Delivering stable services and rebuilding trust with the public is critical to next year's activity.

The three outcomes SWP are focussed on remain:

Delivering excellent services	Changing behaviours	Tackling climate change
SWP effectively collects, recycles and treats waste	People manage waste as a resource	SWP maximises its contribution to tackling the climate emergency

Business Plan: key activities

	Area of activity	Content
1	Waste reduction	Focusing on food waste and plastic, Signposting to zero waste shops, reusable nappies
2	Promoting Reuse	Implementing the reuse strategy agreed by the Board in September 2021
3	Recycling	Bedding in the Recycle More roll-out, ensuring homes are built with recycling in mind, food waste in communal properties, tackling hard to treat waste streams (e.g. soft plastics), HWRCs, composition and participation analysis, recycling A-Z guide, targeted campaigns
4	ecarbonising residual waste	Heat offtake, carbon capture and storage, education
5	Decarbonising our operations	Electric supervisors vans, green depot infrastructure, pilot alternative fuels, drive down carbon intensity of day to day operations, partial re-fleet of refuse vehicles
6	Tackling non-household waste	Schools, public sector estate, business waste
7	Working with others	Parish Councils, local data and engagement, developing partnerships, community action groups, engagement with front-line staff
8	Improving the customer experience	In-cab technology, innovation, website, improving complaints mgnt, GDPR, assisted collection review, processes around new home occupation, enforcement, supporting the most vulnerable
9	Supporting wider goals in Somerset	Tackling waste on the go, tackling fly-tipping, supporting local businesses and those far from the labour market
1	Enabling activities	Depot infrastructure, health and safety, contract management, service reviews, influencing national policy, long term strategy, behavioural insights, business continuity planning, preparing for Unitary
