A DPI is defined in The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012 (SI 2012 No. 1464) and Appendix 3 of the Council's Code of Conduct. A personal interest is defined in paragraph 2.8 of the Code and a prejudicial interest is defined in paragraph 2.9. In the interests of complete transparency, Members of the County Council, who are not also members of this committee, are encouraged to declare any interests they may have in any matters being discussed even though they may not be under any obligation to do so under any relevant code of conduct.

2. Procedure to be followed when considering licensing applications under the Licensing Act 2003 (Pages 5 - 8)

3. Representation following the Application for a New Premises Licence at Gilcombe Farm, Bruton, BA10 0QE (Pages 9 - 38)

Agenda Item 2

Procedure to be followed when considering Licencing Applications under the Licensing Act 2003

Pre meeting Prior to the start of the Hearing the Committee Administrator will check that any person wishing to address the Sub-Committee is either an Interested Party or an authorised representative of an Interested Party or a Responsible Body and is entitled therefore to do so.

Where there is any doubt about the person's eligibility to address the sub-Committee, the Committee Administrator will seek advice from the Legal Officer(s).

1. **The Chairman will introduce:**

- members of the Sub-Committee (which will be made up of three District Councillors);
- the officers present;
- the Parties and their representatives (if any).

The Chairman will ask, before starting the Hearing, if any representations are being withdrawn.

2. At the start of the hearing **the Chairman will advise:-**

- all Parties of the reason for the Hearing and the procedure to be adopted;
- that where a Party wants another person to appear at the Hearing they must ask permission (under Regulation 8(2)) although such permission will not be unreasonably withheld. No permission is needed where the other person is acting only as the Party's representative;
- that if any Party wishes to ask the Sub-Committee to consider documentary or other information at the hearing, which was not provided before the Hearing, then all Parties must consent;
- that if any Party does not attend or is not represented at the hearing, the Hearing can go ahead but the Sub-Committee will consider any application, notice or written representations received by the relevant deadline from that Party;
- that in some circumstances, the Hearing may be adjourned, where the Sub-Committee consider the public interest demands it.

3. **The Chairman will ask each Party to confirm receipt** of the following documents:-

- Officer's report relating to the case;
- The procedure to be adopted during the Hearing;
- The documents, which the authority is required to provide under the Regulations – this varies according to the type of application but normally this means checking that the applicant has received copies of all the representations made in response to the application notices.

Any queries on the procedure or the factual content of the Licensing Officer's report should be dealt with at this point, with the assistance of the legal officer(s), as required.

4. **The Chairman will then ask** the Licensing Officer to present their report on the application. The report will include confirmation that the requirements as to advertising the application and the serving of notices have been met.
5. **The Chairman will inform all present - prior to receiving representations** - that each Party will be given an equal amount of time to make their representations. This will normally be a maximum of five minutes. However, the Chairman has discretion about the time given to each Party and may vary the time limit where reasonable to do so although reasons will be given and fairness maintained.
6. **The Chairman will invite any Responsible Bodies present** e.g. representatives of Police/Fire Service/ Environmental Services to address the Sub-Committee on any relevant representations they have made.
7. **The Chairman will then invite:**
 - Parties or their representatives speaking in support of the application (including the applicant for the review) to address the Sub-Committee on their relevant representations. The address shall relate only to those matters already raised in the application, representations or notice (as applicable). No new information can be presented at the hearing unless all Parties agree, however, where the authority has notified the Party that it requires clarification on any points, this should be provided at this stage;
 - Parties or their representatives, speaking in opposition to the application for review, to address the Sub-Committee on their relevant representations. The address shall relate only to those matters already raised in the application, representations or notice (as applicable). No new information can be presented at the hearing unless all Parties agree, however, where the authority has notified the Party that it requires clarification on any points, this should be provided at this stage.

The Chairman will permit a Member to seek immediate clarification of a point made by a Party, their representative or any another person permitted to attend where, prior to this point in the Hearing, circumstances arise which make it desirable to do so, provided that the question is relevant and helps the proper conduct of the Hearing. The rules of natural justice will be followed.

No Cross examination will be permitted without the consent of the sub-Committee and this will only be given where Committee considers that cross-examination is required for it to consider the representations, application or notice.

8. **The Chairman will ask** whether anyone has any further relevant comments to make and whether each Party is satisfied with the conduct of the Hearing.
9. **The Chairman will then invite** Members of the Sub-Committee to ask any questions of any of the Parties or any other person permitted by the Sub-Committee to appear at the Hearing.
10. **The Chairman will check with the legal adviser(s) that all relevant points have been addressed before asking the Parties to leave the room while** the Sub-Committee consider its decision in private. Only the clerk and the legal adviser(s) will remain with the Sub-Committee although only the sub-committee will be making the decision.

11. **Once in private the Chairman will advise the other Members** that they must consider all the information before them in making their decision but will disregard any information which is not relevant to the application, representations or notice and which does not relate to promoting the Licensing Objectives. Members will take account of the Statutory Guidance and the Council's Statement of Licensing Policy but shall be free to depart from it where the merits of the case warrant it. Full reasons shall be given for any such departure. If Members require further information from any Party or any further evidence, they will reconvene the hearing with all Parties able to be present.
12. **The Chairman will ensure, on the Parties return to the Hearing room,** that any legal advice given to the Sub-Committee in private is summarised to the Parties.
13. **The Chairman will notify** all Parties of their decision and the reasons for the decision. The decision will normally be given orally, at the Hearing, in a plain English format to help those attending the Hearing to understand it more easily. This is not the official written Notice of Decision which be sent to all of the Parties shortly afterwards.

Where the Sub-Committee is unable to give a decision at the meeting, **the Chairman will advise all Parties when a decision can be expected.** The decision will be sent to all Parties within the timescales set down in the Regulations.

14. **The Chairman will inform all Parties** of their possible rights of appeal (if any).

NOTES

1. A Party is anyone who has submitted an application or made a relevant representation or served a notice.
2. Where an adjournment is granted the Sub-Committee will notify the Parties forthwith of the date, time and place to which the Hearing has been adjourned.
3. Under no circumstances must the Parties or their witnesses offer Members of the Sub-Committee information in the absence of the other Party. Similarly, Members will not attempt to illicit information from any Party to the Hearing in the absence of the other. Members will not make pronouncements on the merits of the case until all the evidence has been heard. These are essential elements of the rules of natural justice.
4. The Chairman may vary this procedure, as circumstances require but will have regard to the rules of natural justice.
5. The Hearing will take place in public. However, the public can be excluded from all or part of the hearing where the Sub-Committee considers that the public interest in so doing outweighs the public interest in the hearing, or that part of the hearing, taking place in public.

The Sub-Committee may also require a Party to leave the hearing if that Party is behaving in a disruptive manner. The Sub-Committee can refuse to readmit the Party or readmit upon conditions but the Party can nevertheless submit to the Sub-Committee before the end of the Hearing any written information it would have

been entitled to submit orally at the Hearing.

6. District Councillors representing the area (District Council Ward) to which the application refers, or have declared an interest, will not form part of the Sub-Committee.
 7. Where any irregularity is brought to the attention of the Sub-Committee during the hearing, the Sub-Committee may, if it feels that a Party has been prejudiced as a result of the irregularity, take such steps as it thinks fit to cure that irregularity before it makes its determination. However, any irregularity from a failure to follow this procedure shall not of itself render the proceedings void and any clerical errors may be corrected.

Agenda Item 3

Representation following the Application for a New Premises Licence at Gilcombe Farm, Bruton BA10 0QE

Assistant Director: Laurence Willis
Report Author: Anita Legg – Licensing Officer
Contact Details: anita.legg@southsomerset.gov.uk or 01935 462134

Purpose of the Report

To inform members that an application has been received from Shindig Productions Ltd, for a time limited premises licence to be granted under the Licensing Act 2003 at Gilcombe Farm, Bruton, BA10 0QE from 27 May to 30 May 2016.

Recommendation

Background

The Council is the authority responsible for the issue of Premises Licences issued under Section 18 of the Licensing Act 2003.

The Licensing Manager has delegated authority to determine a Premises Licence application, subject to no objections being received from a Responsible Authority or “Other Persons”. In this case, relevant representations were received from Three Responsible Authorities (two of which have been subsequently withdrawn) and One “Other Persons” (this has also been withdrawn): as there is one representation still outstanding it is necessary to convene a hearing to determine the application.

Licensing Objectives

The licensing objectives are:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

The licensing objectives are to be considered paramount and the Council has a duty to promote them in its decision making process. An application will not be refused in whole or part or any conditions attached except those offered by the applicant or required by law except where appropriate to promote the licensing objectives.

A further notice was placed in the Western Gazette newspaper on 24 December 2015 of which we have a copy.

Representation – Responsible Authorities

1. The premises licence holder shall arrange a planning meeting with Avon & Somerset Constabulary; it will be held at a mutually agreeable time & date (which is no later than 29 February 2016) so as to ensure there is adequate time to implement changes and addendums to the plans.

It shall be agreed by Avon & Somerset Constabulary and the Environmental Protection and Health & Safety teams of South Somerset District Council prior to submission.

A representation was received from Mr Hallett on behalf of the Health & Safety team; this has not been withdrawn.

Representations – Other Persons

One letter of representation was received from a Parish Council which mainly concerned the potential issues of noise; this was withdrawn due to the applicant amending their operating schedule to contain conditions relating to noise as specified above.

Relevant Observations

Members will note that it is proposed that most licensable activities will extend beyond the hours open to the public, which will permit these activities to continue for persons such as crew.

Further Information

None

- The Statement of Licensing Policy issued in January 2014.
- The steps appropriate to promote the licensing objectives as set out in s18(4)

Options

The options available to the committee are stated at section 18 of the Licensing Act 2003 are as follows:

Where a person who made a relevant representation desires to contend that the licence ought not to have been granted, or that on granting the licence, the Licensing Authority ought to have imposed different or additional conditions, or ought to have taken a step to exclude a licensable activity or refused to have specified a person as the premises supervisor, he may appeal against the decision to the Magistrates Court.

The appellant commences the appeal by giving a notice of appeal to the designated officer for the Magistrates' court within 21 days beginning with the day on which the applicant was notified by the Licensing Authority of the decision appealed against.
