Members Questions on reports prior to the Meeting

Members of the Committee are requested to contact report authors on points of clarification prior to the Committee meeting.

Information for the Public

The Licensing Committee shall be responsible for those functions listed in part 3 of the Constitution as being the responsibility of the Committee. This will include licensing matters referred to it by officers, in accordance with the Officer Scheme of Delegation, such as contested public entertainment licences, and applications for taxi driver licences where the officer considers the application should be determined by members. The Committee shall also be responsible for all the functions assigned to it under the Licensing Act 2003.

The Statutory Licensing Committee has responsibility for all activities under the Licensing Act 2003 and the Gambling Act 2005 except for policies and fees. Established under the Licensing Act 2003, it exercises the functions of the Licensing Authority which itself is the Council.

The Other Licensing Committee can be responsible for all other licensing matters. Established by the Council under discretionary power contained in Section 101 of the Local Government Act 1972.

It is lawful for the membership of the two committees to be the same, but they are differently constituted and run under different powers.

Licensing Committee agendas and minutes are published on the Council's website at:
<http://modgov.southsomerset.gov.uk/ieDocHome.aspx?bcr=1>

The Council's Constitution is also on the web site.

In light of the coronavirus pandemic (COVID-19), Licensing Committee will meet virtually via video-conferencing to consider reports. As of 7 May 2021 some interim arrangements are in place for committee meetings.

At the meeting of Full Council on 15 April 2021 it was agreed to make the following changes to the Council's Constitution:

- a) To continue to enable members to hold remote, virtual meetings using available technology;
- b) To amend Part 3 (Responsibility for Functions) of the Council's Constitution to allow those remote meetings to function as consultative bodies and delegate decisions, including Executive and Quasi-Judicial decisions, that would have been taken by those meetings if the Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020 had continued in force to the Chief Executive (or the relevant Director in the Chief Executive's absence) in consultation with those meetings and those members to whom the decision would otherwise have been delegated under Part 3 of the Constitution;
- c) The delegated authority given under (b) will expire on 31 July 2021 unless continued by a future decision of this Council;

For full details and to view the report please see -

<https://modgov.southsomerset.gov.uk/ieListDocuments.aspx?CId=137&MId=2981&Ver=4>

Further to the above, at the meeting of Full Council on 8 July 2021, it was agreed to extend the arrangements for a further 6 months to 8 January 2022. For full details and to view the report please see -

Virtual meeting etiquette:

- Consider joining the meeting early to ensure your technology is working correctly.
- Please note that we will mute all public attendees to minimise background noise. If you have registered to speak during the virtual meeting, the Chairman will un-mute your microphone at the appropriate time.
- Each individual speaker shall be restricted to a total of five minutes.
- When speaking, keep your points clear and concise.
- Please speak clearly – the Councillors are interested in your comments.

Recording and photography at council meetings

Recording of council meetings is permitted, however anyone wishing to do so should let the Chairperson of the meeting know prior to the start of the meeting. The recording should be overt and clearly visible to anyone at the meeting, but non-disruptive. If someone is recording the meeting, the Chairman will make an announcement at the beginning of the meeting.

Any member of the public has the right not to be recorded. If anyone making public representation does not wish to be recorded they must let the Chairperson know.

Statement of Licensing Policy under the Licensing Act 2003

Executive Portfolio Holder:	Adam Dance, Area North & Licensing
Strategic Director:	Kirsty Larkins, Director Service Delivery
Service Manager:	Michelle James, Lead Specialist, Licensing
Lead Officer:	Anita Legg, Specialist, Licensing
Contact Details:	Anita.Legg@southsomerset.gov.uk or 01935 462137

1. Purpose of the Report

1.1 To advise the Licensing Committee of the responses received to the consultation agreed at their meeting of 24 January 2022 regarding the Statement of Licensing Policy and for the Committee to agree the Policy and its revision and agree its referral for consideration and determination at Full Council at its meeting of 19 May 2022.

2. Public Interest

2.1 Section 5 of the Licensing Act 2003 requires that all licensing authorities prepare and publish a Statement of Licensing Policy in order to exercise their functions under the Act. The policy must be revised every five years or sooner if revisions are considered appropriate.

2.2. Following acceptance of the draft Statement of Licensing Policy by the Licensing Committee, a consultation process was conducted between 24 January 2022 and 13 April 2022.

2.3 A total of 6 responses were received and a summary is set out at **Appendix A**. Only questions which received a response have been included.

2.4 The Licensing Committee is asked to consider these responses and decide what amendments, if any, should be made before putting their recommendation to Full Council for adoption.

3. Recommendations

3.1 The Licensing Committee is recommended to:

1. Consider responses to the Consultation for the Statement of Licensing Policy
2. Agree the Policy and its revisions
3. Refer the revised Statement of Licensing Policy to the Full Council for final approval and implementation

4. Background

4.1 This is the sixth Statement of Licensing Policy for this Council. The draft Policy, including the amendments is attached at **Appendix B**.

Fundamental Principles of the Statement of Licensing Policy

5.1 In determining the policy, the Council must have regard to the Guidance issued under Section 182 of the Act, as well as to the views of those it has consulted.

5.2 The draft policy does not depart from the Guidance from the Government. If, however, following the consideration of representations, it is decided that a departure from the guidance is necessary to ensure the licensing objectives are met locally, then the reasons for that departure must be recorded. This is particularly important in view of the increased likelihood of legal challenge if making policies otherwise than in accordance with the Section 182 Guidance.

5.3 Whilst the Statement of Licensing Policy should set out the approach that the Licensing Committee and Sub Committee will adopt when considering different kinds of applications and representations, it should not ignore or be inconsistent with provisions within the Act. For example, an individual's right to apply for a variety of permissions and to have any application considered on its own merits should not be undermined.

Consultation

5.4 Before determining its policy for the next five-year period, the following must be consulted: -

- a. The Chief Officer of Police
- b. The Fire Authority
- c. Public Health
- d. Persons/bodies representative of local holders of Premises Licences
- e. Persons/bodies representative of local holders of Club Premises Certificates
- f. Persons/bodies representative of local holders of Personal Licences
- g. Persons/bodies representative of Businesses and Residents.

5.5 The views of all the bodies listed should be given appropriate weight before the policy is determined.

5.6 The Licensing Service additionally consulted with recognised trade bodies.

5.7 The consultation period was held over an eight-week period, commencing 24 January 2022 and concluding on 13 April 2022. Notification of the consultation was conducted by email with a link to the draft Statement of Licensing Policy and questionnaire published on the SSDC website.

5.8 The departure from the usual 12 week consultation was because most amendments made were as a result of well publicised legislative changes and also that experience over the last 17 years, since the Act was implemented, has shown that there are typically a very small number of responses to this type of consultation.

5.9 As agreed at the meeting of 24 January 2022, the responses to the draft policy are being put to the Licensing Committee for consideration following the close of the consultation.

6. Financial Implications

6.1 The government indicates that they expect the centrally set fees of the Licensing Act 2003 to cover the cost to the council of administering the licensing regime, which would include the preparation of the revised policy, and the mailshot.

7. Legal implications (if any) and details of Statutory Powers

7.1 The Licensing Authority is required to act in accordance with the:

- provisions of the Licensing Act 2003,
- statutory guidance issued by the Secretary of State, and
- Council's Statement of Licensing Policy, in its determination of applications.

7.2 Section 5 of the Licensing Act 2003 provides that a Licensing Authority must, every 5 years, determine and publish a Statement of Licensing Policy.

7.3 The integrity of the Statement of Licensing Policy has the potential to directly impact upon the Council's determination of applications under the Act and as such decisions made could be the subject of judicial review or appeal.

7.4 The Licensing Authority in determining applications and taking enforcement action pursuant to the Licensing Act 2003 will also have regard to the provisions of the Human Rights Act.

8. Council Plan Implications

8.1 This revised policy supports the Council Plan themes, in particular The Protecting Core Services and Environment Areas of focus

- Deliver a high quality, effective and timely service to our customers

9. Carbon Emissions and Climate Change Implications

9.1 This policy is primarily focused on setting out how the Council will deliver its statutory function under the Licensing Act 2003 and does not have any implications for Carbon Emissions and Climate Change. However, the addition of a section on Sustainable Event Management will help to promote the Council's commitment to address Climate Change impacts and encourage event organisers to consider how they can reduce the impact of their events.

10. Equality and Diversity Implications

10.1 A stage 1 Equality Analysis (EqA) has been carried out which does not identify any impacts on any persons with protected characteristics.

11. Privacy Impact Assessment

11.1 The policy which is the subject of this report does not in itself involve the processing or handing of personal data. The processing of application forms in accordance with this policy currently involves the handling of personal data and no changes are being made to how that data is processed. The consultation process is likely to result in personal data being processed. The responses would be handled by SSDC and any responses would have any personal details removed before being published.

QUESTION	RESPONSE	RESPONSE	RESPONSE
<p>"It has been recommended that the Cumulative Impact Policy (CIP) within the Statement of Licensing Policy is removed. Reason: There is no longer any evidence to support it. Do you agree with this recommendation? - If you disagree (CIP) please state your reason(s)"</p>	<p>The CIP seems to relate mainly to Yeovil and Chard and does not appear relevant to Bruton so it would be impertinent for Bruton Town Council to express a view</p> <p>No action is required to address this response.</p>	<p>Looking at the harm ranking generated by the HaLO tool, there is evidence that the type and density of premises selling alcohol for consumption are continuing to cause alcohol-harm problems, certainly in Yeovil Town centre LSOA, and to a lesser degree in Chard Central LSOA. When the CIP was introduced it was based on police statistics presented in Appendix B of the current policy statement. You have advised verbally that the police statistics no longer justify having a CIP for these locations. Clearly we have not seen these statistics, but based on HALO data which includes police data there are clear indications that there is significant alcohol harm in these localities, which might tend to suggest that CIP status remains relevant. Caution is also required in relation to the impact of the pandemic and any rebound effects that may occur as the night time economy opens up. Might it not be premature to remove this status at this point, and therefore better to retain CIP and perhaps review in 2 or 3 years-time when the pandemic impacts have worked through?</p>	
<p>"Organisers of large scale events should submit with any licence application supplementary supporting document(s) clearly setting out how the event(s) will be manage. These detailed documents are often referred to as Event Management Plans. Reason: To ensure Responsible Authorities are furnished with adequate detail of proposed plans to enable sufficient assessment of the safe</p>	<p>The wording of the proposed policy is meaningless at best and dangerously imprecise, subjective and arbitrary at worst, and therefore open to abuse. The phrase "sufficiently detailed" begs three questions: How much detail is deemed sufficient? Who is to do the deeming? And what are the criteria of sufficiency?</p> <p>More generally, it is easy for bureaucrats to impose ever more</p>		

<p>management of the proposed event.</p> <p>Do you agree that organisers of large scale events should submit a sufficiently detailed Event Management Plan with their application?</p> <p>- If you disagree events, please state your reason(s)"</p>	<p>stringent, detailed and burdensome bureaucratic conditions on organisers because it is not they that have to bear the cost, only the unfortunate organisers and the members of the public they serve. The overall effect is stifling, discouraging such event and thereby depriving members of the public of much appreciated recreational opportunities.</p>		
<p>Do you have any other comments on the proposed amendments to the Statement of Licensing Policy? If so, please state your reason(s): - comments on the proposed amendments</p>		<p>"There is at present no public health section in the Statement of Licensing Policy, an omission we think should be rectified. The Director of Public Health requests that a section on alcohol harm and public health is added as per the following please:</p> <p>""Alcohol harm and public health</p> <p>The Director of Public Health is a Responsible Authority and will consider evidence of alcohol harm in making representations in relation to licensing objectives, and in the wider context of seeking to improve and protect public health and wellbeing.</p> <p>Public Health (Somerset County Council) has developed a tool called HaLO. The purpose of HaLO is to enable applicants and Responsible Authorities to consider all alcohol-related harms in the relevant local area when dealing with a licensing application. The licensing authority encourages applicants to make use of the HaLO tool, to demonstrate consideration of alcohol harms and any additional steps they intend to take to</p>	

		<p>promote the four licensing objectives as part of their application.</p> <p>The results from the tool will also be used as part of representations from the Director of Public Health to licensing applications and in negotiations with applicants.</p> <p>HaLO is publicly available at: www.somersetintelligence.org.uk/halo/""</p>	
<p>Are there any parts of the current policy that you disagree with? If so, please state your reason(s): - parts of the current policy disagree with</p>	<p>There is no mention of street trading/markets/charter use within this policy. The current policy is burdensome and prohibitive to event organisers like us seeking to work in partnership with the council. A block consent approach, as used by Somerset West & Taunton would be most welcome.</p> <p>Amendments have not been included in the Statement of Licensing Policy as these items fall under a separate Street Trading Policy.</p>	<p>It used to be the practice (if not a formal policy) of the Licensing Authority to inform town and parish councils about applications which might be of interest or concern to them. We recognise that parish councils are not statutory consultees for licensing applications so passing on this information was a matter of courtesy, but Bruton Town Council very much appreciated this practice and would like to see it revived. This would accord with the declared aims and ambitions of the new Somerset Council unitary authority which will be taking over the functions the Licensing Authority in 2023. Somerset Council has promised an enhanced role to town and parish councils via the proposed Local Community Networks, and informing local councils about relevant licence applications would be one way of fulfilling this aim.</p> <p>Amendments have not been included in the Statement of Licensing Policy.</p> <p>All applications, as soon as they are received, are published on the Authority website with details of the application and the closing date for representation to be made.</p>	<p>"Yes 3.9.2 It is expected that all noise-related complaints are initially raised with the Council's Environmental Protection Service and complaints regarding unlicensed activities and operating outside the permitted hours are raised with the Lead Specialist - Environment.</p> <p>This needs to be changed to be in line with current working practices. All noise related complaints must be reported through the report it tool on our website. We do not have an Environment Protection Service anymore and noise sits under the umbrella of Environmental Health and Licensing."</p> <p>This amendment, which is a simple change of wording, has been amended in the Statement of Licensing Policy.</p>

1.0 Introduction

1.1 Background

1.1.1 South Somerset District Council (the Council) is the licensing authority under the Licensing Act 2003 ('the Act'). It is empowered to administer the following in respect of the sale and/or supply of alcohol and the provision of regulated entertainment and late night refreshment within the District:

- premises licences including provisional statements, full and minor variations, transfers, interim authorities and reviews
- club premises certificates
- temporary event notices
- personal licences

1.1.2 The Licensing Act 2003 requires a Licensing Authority to prepare and publish a statement of its Licensing Policy before the Authority can carry out any licensing or regulatory functions under the terms of the Licensing Act 2003. This Policy must be kept under review and the Licensing Authority may make any revisions to it, as it considers appropriate. In any event the Licensing Authority is required to review their Statement of Licensing Policy every 5 years.

1.1.3 This Licensing Policy sets out the issues that the Licensing Authority will take into account when determining licences throughout the District of South Somerset and encompasses experience gained in the implementation and regulation of the Licensing Act 2003.

1.1.4 In determining this Policy the Licensing Authority has had regard to the Guidance issued under Section 182 of the Licensing Act 2003. In determining applications under The Act the Licensing Authority shall consider:

- The promotion of the four Licensing Objectives
- Representations and evidence presented by all parties, together with any relevant supporting documentation
- The Latest Guidance issued by the Government
- The Licensing Authority's own Statement of Licensing Policy

1.2 Aim

1.2.1 The Act requires the Licensing Authority to carry out its various licensing functions so as to promote the four licensing objectives.

1.2.2 The aim of this Licensing Policy is to set out how the Licensing Authority seeks to promote the four licensing objectives, which are:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

1.2.3 These four objectives will be the paramount considerations when determining a course of action in relation to the Licensing Authority's licensing functions. Each objective will be given equal importance.

1.3 Purpose

- 1.3.1 The main purpose of this Policy is to provide clarity to applicants, other persons and Responsible Authorities on how the Licensing Authority will determine applications to supply alcohol, provide regulated entertainment and operate late night refreshment. The Licensing Authority will consider all representations from any person however it shall apportion the weight of the representation between those persons immediately affected by the premises and its operation and those persons who may have a lack of knowledge of the area or of personal experience.
- 1.3.2 Where revisions are made to the Guidance there may be a period of time when this Policy is inconsistent with the Guidance. In these circumstances the Licensing Authority shall have regard, and give appropriate weight, to the revised Guidance in conjunction with this Licensing Policy.

1.4 Consultation

- 1.4.1 Before determining its policy for any five year period, the Licensing Authority will consult the following:
- the chief officer of police
 - the fire and rescue authority
 - the director of public health
 - persons/bodies representative of local holders of premises licences
 - persons/bodies representative of local holders of club premises certificates
 - persons/bodies representative of local holders of personal licences
 - persons/bodies representative of businesses and residents in the District
- 1.4.2 The Licensing Authority may consult beyond the statutory requirements, and seek comments from additional bodies, groups or individuals as appropriate.

1.5 Fundamental Principles

- 1.5.1 This Policy sets out the Licensing Authority's general approach to the making of licensing decisions and is consistent with the provisions of the Act. Nothing in the Policy will undermine the right of any individual to apply for authorisations and to have any such application considered on its individual merits. Similarly, nothing in the Policy will override the right of any person to make representations on an application or to seek a review of a Licence or Certificate in accordance with the provisions of the 2003 Act.
- 1.5.2 This Policy recognises that the Equality Act 2010 places a legal obligation on public authorities to have due regard to the need to eliminate unlawful discrimination, harassment and victimisation; to advance equality of opportunity; and to foster good relations, between persons with different protected characteristics. The applicant must give due consideration to disabled persons under this Act for access and egress so that they are not at a substantial disadvantage.
- 1.5.3 The introduction of the Policing & Crime Act 2009 extends Police closure powers. The Licensing Authority further acknowledges and supports that this legislation has been introduced against the background of increasing alcohol-related anti-

social behaviour and subsequent hospital admissions that has led to criticism due to the increased cost to local residents. This Act signifies a shift back from deregulation towards offering greater support for communities being adversely affected.

- 1.5.4 The Licensing Authority may recommend actions over and above the requirements of a licence/certificate and applicants are asked to give these recommendations serious consideration, as adoption of best practice may be considered in the investigation of complaints if they arise in connection with the premises in the future.
- 1.5.5 The Licensing Authority may only impose conditions on a premises licence if they are consistent with the operating schedule or after receiving relevant representations and only if a Licensing Committee or Licensing Sub-Committee determines the matter. Any conditions attached to the licence must relate to the promotion of the Licensing Objectives.
- 1.5.6 The Licensing Authority acknowledges that the Government believes that in some circumstances flexible hours for the sale of alcohol can help to ensure that the concentrations of customers leaving premises simultaneously are avoided.
- 1.5.7 Where licensed premises are surrounded by housing, unrestricted extensions of hours could extend the time of disturbance to later in the night; therefore the Licensing Authority acknowledges that tighter control may be justified in residential areas always however having regard to the individual merits of any application.
- 1.5.8 In general terms the Licensing Authority will closely scrutinise applications for premises licences showing a late terminal hour so as to be satisfied that they will have no adverse impact on the Licensing Objectives.
- 1.5.9 Once people are beyond the control of the individual, club or business holding the relevant authorisation, licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour. Licensing law will always be part of a holistic approach to the management of the evening and night-time economy in the district.
- 1.5.10 The Licensing Authority expects every licence holder or event organiser to minimise the impact of their activities on the surrounding area and any anti social behaviour created by their customers in and within the vicinity of their premises by taking appropriate measures and actions consistent with that responsibility. Whether or not incidents can be regarded as being in 'the vicinity' of the licensed premises is recognised as a question of fact and will depend on the specific circumstances in each case. In cases of dispute, the question will ultimately be decided by the courts. In addressing this matter, the Licensing Authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned.
- 1.5.11 The type of entertainment offered on licensed premises and the closing hour of premises permitted to provide alcohol to the public often have a direct link to crime and disorder, public nuisance and public safety issues. For example, there is generally more likelihood of crime and disorder and public safety problems occurring in a music and dance venue permitted to sell alcohol and open until 3 am than there is in a well managed public house located in a quiet back street that provides limited regulated entertainment and closes at 11 pm.

2.0 General Principles

In all applications relating to premises, applicants should specify methods by which they will promote the four Licensing Objectives in their operating schedules.

2.1 Revisions to Policy.

2.1.1 The Policy shall be subject to periodic reviews and further consultation as and when required. The Licensing Authority may make revisions to this Policy following changes to, for example:

- Local circumstances;
- The Licensing Act, associated regulations or statutory guidance;
- Other national legislation; or
- The policies and practices of a responsible authority

2.2 Areas of Concern

2.2.1 Specific areas of concern include:

- Sales of alcohol from “On” and “Off” licensed premises.
- Glass related injuries.
- Noise from music on the premises.
- Nuisance and disturbance from smokers immediately outside the premises.

2.2.2 Applicants for a premises licence are advised to include in their Operating Schedule, (where applicable) specifically how they will prevent sales of alcohol to persons under 18 years, minimise glass related injuries and or assaults, prevent noise from licensed premises become a nuisance and manage customers outside their premises who are smoking. It is expected that a Challenge 25 Policy will be adopted at the premises.

2.2.3 Experience indicates that a last time of entry condition is assisting in the promotion of the licensing objectives. It is therefore expected that applicants for late licensed premises will detail in their operating schedules that there will be no new entry or re-entry to the premises after 1am other than premises which are only open after 1am for late night refreshment..

2.3 Children

2.3.1 The Act requires applicants for premises licences and club premises certificates to copy details of their applications to a body which:

- a) represents those who, in relation to any such area, are responsible for, or interested in, matters relating to the protection of children from harm, and
- b) is recognised by the Licensing Authority for that area for the purposes of this section as being competent to advise it on such matters.

2.3.2 The Licensing Authority’s policy is that the Responsible Authority in relation to the protection of children from harm is Somerset County Council, PO Box 5199, Council Offices, Brympton Way, Yeovil, Somerset, BA20 2HT

- 2.3.3 The Licensing Authority will expect licensees of premises giving film exhibitions to include, in their operating schedules, arrangements for restricting children from viewing age restricted films. Such premises will be subject to a mandatory condition requiring that access will be restricted to only those who meet the required age limit in accordance with any certificate granted by the British Board of Film Classification, or in specific cases where such certificates have not been granted, the Licensing Authority.
- 2.3.4 The Licensing Authority does not intend to adopt its own system of film classification but reserves the right to amend the classification imposed by the British Board of Film Classification.
- 2.3.5 If the Licensing Authority attaches an age-restriction to any film that differs from the BBFC classification or attaches one to an unclassified film, the information about the Licensing Authority's classification will be published on the Council's website at www.southsomerset.gov.uk.
- 2.3.6 The Licensing Authority shall not seek to limit the access of children to any licensed premises unless it is necessary for the prevention of physical, moral or psychological harm. In all other cases it will be left to the discretion of the Licensee but the Licensing Authority shall expect that the licensee shall give full consideration of access by children at all times and ensure that there is a policy in place to promote this licensing objective.
- 2.3.7 The following are examples of premises that are likely to raise concern and engage the Licensing Authority as a Responsible Authority to take action:
- Where entertainment or services of an adult or sexual nature are likely to undermine the licensing objectives;
 - Where relevant premises are known to allow unaccompanied children;
 - Where the applicant has described in the Operating Schedule that '*no adult or similar entertainment shall take place on the premises*' but intends to hold an event liable to compromise the protection of children from harm licensing objective;
 - Where there has been early indication and subsequent evidence of poor management of the premises leading to undermining of the licensing objectives;
 - Where the premises have a known association with drug taking or dealing;
 - Where the current staff have received convictions or cautions for serving alcohol to minors or where the premises has a reputation for underage drinking or failures in test purchasing;
 - Where there is a strong element of gambling or illegal gambling on the premises;
 - Where there is likely to be under age events with the intention of selling or exposing alcohol for sale or where the intention is to permit adults to this event;
 - Where the supply of alcohol for consumption on the premises is the exclusive or primary purpose of the services provided at the premises.
- 2.3.8 Examples of entertainment likely to cause concern are entertainment or services of an adult or sexual nature including topless bar staff, striptease, lap, table or pole dancing, performances involving feigned violence or entertainment involving strong or offensive language.

This Licensing Authority strongly advises that where music and alcohol sales are the main reasons for the event taking place, that persons under 18 years are not

admitted unless the organisers have extremely robust procedures for ensuring those under 18 years do not have access to any alcohol – this includes sales, proxy sales, and bringing it onto the event.

- 2.3.9 “Where there are events solely provided for young people, for example an Under 18’s disco in a nightclub or similar relevant premises, the Licensing Authority strongly advises that adequate and sufficient measures are put in place so that young people cannot gain access alcohol or energy drinks and further that no alcohol is served to any supervising adults at such events. The management of the premises should also ensure that measures are taken to prevent alcohol being brought onto those premises and lawful steps are taken to prevent attendees from leaving the premises without parental or guardian consent.”
- 2.3.10 In particular, the Licensing Authority will consider what conditions are offered in the Operating Schedule. The applicant in completing the Operating Schedule is required to describe the steps they intend to take to promote this Licensing Objective and highlight any adult entertainment or services, etc. that may give rise to concern in respect of children. However, where the applicant does not state the steps they intend to take to promote this Objective but does state that “*no adult or similar entertainment shall take place on the premise*”, the Licensing Authority shall consider that this restriction to be a condition on the Licence/certificate even though it may not state it on the Licence/Certificate itself.

2.4 Licensing Hours

- 2.4.1 With regard to licensing hours the Licensing Authority will consider each application on its individual merits.
- 2.4.2 Applications for premises licences with a terminal hour later than 12 midnight, where the sale or supply of alcohol for consumption on the premises is the main activity or where the sale or supply of alcohol is accompanied by musical entertainment, will be subject to close scrutiny by the Responsible Authorities to ensure that there will be no adverse impact on the Licensing Objectives. Specifically, the applicant should ensure that the operating schedule for such premises demonstrates how the Licensing Objectives will be met. This is a general policy and does not automatically mean that all applications will result in licences being granted until midnight or that no applications will be granted with a closing hour after midnight.
- 2.4.3 In considering these issues the Licensing Authority will give careful consideration to the nature of the venue proposed. For example, the Council is keen to promote establishments at which the service and consumption of alcohol is not the primary activity. These may include restaurants, theatres, cinemas, comedy clubs, galleries, museums, and similar venues. The Licensing Authority’s experience is that such venues are liable to give rise to fewer public concerns in relation to later closing hours.
- 2.4.4 The Licensing Authority will pay special regard to the proximity of residential properties to the proposed premises. Consideration will be given to the imposition of stricter noise control conditions, if representations are received in areas with a concentration of residential properties.
- 2.4.5 Where the premises licence does not include Hours Open to the Public, the Licensing Authority will expect premises to be cleared of patrons within a reasonable time of

the terminal hour set for licensable activities. **Where** the premises licence does include Hours Open to the Public; the premises licence holder shall ensure that members of the public shall be off the premises by the finish time stated in operating schedule after the cessation of licensable activities except in such circumstances where premises are open for licensable activities where members of the public are not present such as fulfilling orders for the sale of alcohol off the premises.

2.4.6 Shops, stores and supermarkets will generally be free to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping, unless there are good reasons for restricting those hours. An example would be where the Police make representations that the premises are a focus of disorder and disturbance.

2.5 Late Night Levies (LNL) and Early Morning Restriction Orders (EMRO'S)

2.5.1 The Police Reform and Social Responsibility Act 2011 (the PRSRA) has introduced the power for the Licensing Authority to charge a late night levy ("the levy") to all premises within the South Somerset District.

2.5.2 It also provides the Licensing Authority with the power to restrict the sale or supply of alcohol between the hours of midnight and 6am by introducing an Early Morning Restriction Order ("EMRO") to tackle high levels of alcohol-related crime and disorder, nuisance and anti-social behaviour.

2.5.3 Any decision to introduce an EMRO would consider:

- The current Cumulative Impact Policy;
- Taking a robust joint agency approach to tackling problem premises;
- Prior to reviewing a licence/certificate, meeting with the DPS and licence/certificate holder to ensure a Premises Improvement Plan is in place.
- Using other mechanisms to control the cumulative impact, e.g. planning controls;
- Using other mechanisms to control noise and anti-social behaviour;
- Police powers to closure premises;
- Providing powers to designate parts of the local authority area as places where alcohol may not be consumed publicly;
- police enforcement of the general law concerning disorder and anti-social behaviour, including the issuing of fixed penalty notices;
- Provision of CCTV;
- Provision of night marshals and street pastors; introduction of a late night levy;

The above is not an exhaustive list of possible measures.

2.6 Late Night Refreshment

2.6.1 The Licensing Authority will expect applicants for licences in respect of late night refreshment premises to detail in their operating schedules how they intend to promote the licensing objectives and in particular how they intend to address queue management, litter and noise disturbance.

2.6.2 Where appropriate, and, in line with the Public Nuisance and Public Safety Licensing Objectives, the Licensing Authority may recommend that applicants display their

company name on containers and packaging; this will enable the Licensing Authority to identify any premises causing concern.

- 2.6.3 The Licensing Authority expects that any premises providing late night refreshment will have a responsible policy for regularly clearing litter from outside their premises and for 25 metres along the pavement/curtilage of premises in either direction as necessary, whilst the premises are open and at the end of the working day. Such Policy could also include the display of notices advising customers to use the bins provided. In addition, where there is evidence that grease and food, etc. has emanated from the premises, the Licensing Authority recommends that the highway in the vicinity of the premises is swilled or scrubbed so as not to attract gulls, pigeons and vermin. The Licensing Authority recommends that all such inspections and action taken be recorded in the Premises Log Book.
- 2.6.4 Where an applicant wishes to sell alcohol either on or off the premises in such an establishment or provide an alcohol delivery service, the Licensing Authority expects that the Operating Schedule will set out specific measures to ensure the prevention of Crime and Disorder and Public Nuisance in the vicinity of the premises. It also expects that a Challenge 25 Policy is adopted so that no alcohol is left with anyone under 18 years. Existing premises that seek to provide an alcohol delivery service are expected to notify the Licensing Authority that they are operating such a service setting out specific measures they intend to take to promote the licensing objectives and adopt a Challenge 25 Policy.

3.0 Licensing Approach

3.1 Partnership Working

- 3.1.1 The Council recognises that Licensing functions under the Act are not the only means of promoting the principles behind the Licensing Objectives. Delivery includes working with Planning, Environmental Health, the Police, the Fire Authority, the Crime Reduction Partnerships, Town and Parish Councils, Pubwatch or similar schemes, local businesses and residents, Somerset County Council, transport operators and those involved with child protection.
- 3.1.2 The Council recognises that co-operation across services within the Council and with our external partners remains the best means of promoting the Licensing Objectives.
- 3.1.3 The Licensing Authority seeks to encourage and support the night-time economy by providing a vibrant and safe town centre experience. It shall work closely with the Responsible Authorities to deliver the licensing objectives, including the licensed trade, local people and businesses. The Licensing Authority will continue to work closely as part of these groups to promote the common objectives and shall recognise its duty under Section 17 of The Crime and Disorder Act 1998 when carrying out its functions under the 2003 Act. In addition the Licensing Authority will seek to support strategies where they are allied to the licensing objectives such as the Government's Alcohol Strategy and any other relevant strategies and policies.
- 3.1.4 The Licensing Authority recognises that the private sector, local residents and community groups in particular have a vital role to play in promoting the licensing objectives. The Licensing Authority shall work closely with other enforcement agencies in the management of the night time economy, particularly relating to the

tackling of under age sales and proxy sales of alcohol and drunkenness or disorder on or in the immediate vicinity of the licensed premises.

3.2 Cumulative Impact Policy

3.2.1 Following consultation with Avon and Somerset Police on crime statistics in Yeovil and Chard town centres, the Licensing Authority no longer consider it appropriate and necessary to incorporate within this Policy Statement a Cumulative Impact Policy for the towns of Yeovil and Chard. The previous Cumulative Impact Policy has therefore been removed.

3.3 Local Strategies and Policies

3.3.1 Where appropriate, the Committee will take into account local strategies and policies. These will include:

- Sustainable Community Strategy
- Somerset Health & Well-Being Plan

3.4 Integrating Strategies

3.4.1 There are many stakeholders involved in the leisure industry and many are involved in the promotion of the licensing objectives. A number of stakeholders' plans and strategies deal with matters related to the licensing function. Where this is the case the Council will aim, as far as possible, to coordinate them.

3.4.2 Cultural Strategy – The Council will monitor the impact of any decisions on the provision of regulated entertainment. The aim is not to deter live music, but to ensure that the licensing objectives are promoted. The Council will monitor the effect of licensing on the provision of regulated entertainment, particularly live music and the performance of dance to ensure that any licensing conditions that impose any restrictions on such events are proportionate and reasonable.

3.4.3 Racial Equality – The Council is required under race relations legislation to have due regard to the need to eliminate unlawful discrimination and to promote equality of opportunity and good relations between persons of different racial groups. The impact of these issues on the Licensing Policy will be monitored and amendments will be made as necessary.

3.4.4 Where appropriate, the Licensing Authority will also have regard to:

- local crime prevention strategies;
- needs of the local tourist economy;
- employment situation in the area and the need for new investment and employment where appropriate;
- needs of the local community
- the duty on Public Authorities to eliminate unlawful discrimination;
- the Economic Strategy

3.5 Avoiding Duplication

3.5.1 The Licensing Authority recognises the need to avoid, so far as possible, duplication with other regulatory regimes such as health and safety at work, fire safety, building control and planning. Conditions will not be imposed if the matters concerned are

already provided for in other legislation. However, other legislation may not always cover the unique circumstances that arise in connection with licensable activities and in such cases tailored conditions may be necessary but only if relevant representations are received.

- 3.5.2 The Licensing Authority recognises that in accordance with Section 43 of the Regulatory Reform (Fire Safety) Order 2005, any conditions imposed by the Licensing Authority that relate to any requirements or prohibitions that are or could be imposed by that Order, shall have no effect. The Licensing Authority shall therefore not seek to impose fire safety conditions where the Order applies.
- 3.5.3 In much the same way, the Indecent Displays (Control) Act 1981 prohibits the public display of indecent matter and the Licensing Authority shall therefore not seek to impose conditions concerning such displays inside or outside the premises. The existing laws governing indecency and obscenity are adequate to control adult entertainment of this nature. However, the Licensing Authority shall, if it considers necessary in certain premises, consider attaching conditions following a hearing addressing the exclusion of minors.
- 3.5.4 Non-compliance with other statutory requirements may be taken into account in reaching a decision about whether or not to grant or vary a licence but only if relevant representations are received.
- 3.5.5 The Licensing Authority recognises that the existence of planning permission, building regulation approval or pavement licences must be properly separated from licensing applications to avoid duplication and inefficiency. Similarly, the existence of a Premises Licence shall not prejudice the consideration of any planning, building regulation approval or pavement applications. However, the Licensing Authority shall expect applicants to have obtained the appropriate consents or licences prior to operation.
- 3.5.6 Where the premises licence holder(s) has not obtained such consents or licences, they will be liable for enforcement action under the appropriate legislation. There may be circumstances when as a condition of planning permission a terminal hour is set for the use of commercial premises. Where these hours are different to the licensing hours, the applicant must observe the earlier closing time to ensure that they are not in breach. Premises operating in breach of their Planning Permission or their premises licence/certificate may be liable to enforcement action by the Planning Authority or the Licensing Authority as appropriate.

3.6 Representations

- 3.6.1 Under the 2003 Act both Responsible Authorities and 'other persons' may make representations on licence/certificate applications and review existing premises licences/certificates.
- 3.6.2 'Other persons' is defined as any individual, body or business that may be affected by the operation of a licensed premise regardless of their geographical location. Although the other person may be in any geographical location, any representation they make must be relevant to one or more of the licensing objectives. In addition the other person is encouraged to provide evidence supporting their representation or review. This may be for example by way of recording dates where noise nuisance or anti-social behaviour occurs. Any representation however must be specific to the premises in question and not to

the area in general. The representation must also detail how the granting of the application is likely to affect the person making it. Representations may not be made by individuals on behalf of anyone else without their explicit consent and we would expect to see proof of this consent.

3.6.3 The Licensing Authority will however consider the geographical location of the other person who has made the representation to see if in fact that it is a relevant and valid representation with supporting evidence and weigh it accordingly.

3.6.4 In addition all representations must be relevant relating to the likely effect of the grant of the licence/certificate on the promotion of at least one of the licensing objectives. The Licensing Authority will determine whether a representation from an individual, body or business is relevant, frivolous, repetitive or vexatious. In borderline cases, the benefit of the doubt will be given to the person or body making that representation.

3.7 Conditions

3.7.1 Where conditions are imposed at a licensing hearing, they shall be appropriate and proportionate and shall be tailored to the size, style, characteristics and activities that take place at the premises concerned. However, the Licensing Authority accepts that Responsible Authorities may suggest conditions following negotiation with the applicant when completing their Operating Schedules.

3.7.2 In addition conditions imposed by a Licensing Authority shall be precise and enforceable, clear in what they intend to achieve, shall not duplicate other statutory requirements or other duties or responsibilities placed on the employer by other legislation, shall not replicate offences set out in the 2003 Act or other legislation, shall be justifiable and capable of being met and shall not seek to manage the behaviour of customers once they are beyond the direct management of the licence/certificate holder and their staff.

3.7.3 The Licensing Authority recommends that conditions volunteered in the Operating Schedule should be:

- Targeted on the deterrence and prevention of crime and disorder
- Appropriate for the promotion of the licensing objectives;
- Proportionate and enforceable;
- Consistent and not conflicting;
- Relevant, clear and concise;
- Not duplicate other legislation; and
- Expressed in plain language capable of being understood by those expected to comply with them.

3.7.4 The Licensing Authority when preparing the licences/certificates shall not simply replicate the wording from an applicant's Operating Schedule but will interpret conditions in accordance with the applicant's overall intentions.

3.8 Enforcement

3.8.1 South Somerset District Council's Regulatory Services, which includes the Licensing Authority, have adopted an Enforcement Policy. This policy seeks to communicate and explain the approach to dealing with non-compliance to businesses, residents, and others affected by our enforcement activities. The policy incorporates the Regulators' Code and is available on the Council's website www.southsomerset.gov.uk. This policy has been developed following guidance issued by the Better Regulation Delivery Office and in consultation with stakeholders. It is influenced by good enforcement practice, current legislation, guidance and statutory codes of practice. SSDC aims to deliver the services above by avoiding unnecessary regulatory burdens and enforcement. Wherever possible SSDC will work closely with businesses and other organisations to assist them in meeting their legal obligations, without unnecessary expense. The council will only intervene where there is a clear case for action.

Enforcement action will be:

- Targeted toward those premises presenting the highest risk;
- Proportional to the nature and seriousness of the risk those premises present;
- Consistent, so that the Licensing Authority takes similar approaches in similar situations;
- Transparent, so those who are subject to enforcement action know what to expect; and
- Accountable, so that the Licensing Authority and its officers take responsibility for their actions.

3.8.2 The Council intends to use appropriate enforcement to promote the licensing objectives. Once licensed, it is essential that premises are monitored to ensure that they are run in accordance with their operating schedules, in compliance with the specific requirements of the Act and any licence conditions. It will also monitor the District for unlicensed activities that may or may not require authorisation.

3.8.3 The Licensing Authority has established protocols with Avon and Somerset Police, Devon, Plymouth, Somerset and Torbay Trading Standards Service and Devon and Somerset Fire and Rescue Service on enforcement issues to ensure an efficient deployment of resources. Where official warnings are given prior to any decision to prosecute for an offence, the Licensing Authority shall ensure that these enforcement authorities are informed of these warnings and the result of any action taken.

3.8.4 In order to ensure compliance with the law and licensing conditions, the Licensing Authority will also carry out whenever possible unscheduled 'non routine' evening inspections with Avon and Somerset Police. After each visit, the Designated Premises Supervisor and Premises Licence Holder shall be notified of any concerns and be given an opportunity to rectify any issues.

3.8.5 The Licensing Authority recognises that most Licence Holders seek to comply with the law and any enforcement action will normally follow a graduated approach and in the first instance will include education and support. Where licence holders continue to flout the law or act irresponsibly firm action will be taken.

- 3.8.6 Premises inspections will take place as required based on consideration of risk and/or based on intelligence received. It should be the case that higher risk premises be viewed as higher priority for such contact, whilst lower risk premises, that are well managed and run, will benefit from a lighter touch.
- 3.8.7 The Licensing Authority may seek to meet with the licence or certificate holder and/or DPS working closely with them and relevant Responsible Authorities in implementing a Premise Improvement Plan where appropriate.
- 3.8.8 Where the premise does not comply with an agreed Improvement Plan and continues to breach the licensing laws and/or licence conditions, the Licensing Authority will consider further sanctions, either by way of a review, formal caution or prosecution. In any event, the Licensing Authority will have regard to the SSDC Regulatory Services Enforcement Policy.
- 3.8.9 Where one off events are taking place, the Licensing Authority may also carry out inspections to ensure the Licensing Objectives are being promoted. Inspections shall be carried out in accordance with the principles of risk assessment and targeting problem premises.
- 3.8.10 In addition, the Licensing Authority will conduct checks to ensure that official notices for new applications, varied applications, reviews and minor variations are accurate and clearly displayed. Notices for reviews shall be displayed at or near the site of the premises, and where there are concerns these shall be regularly checked and recorded.
- 3.8.11 Any decision to instigate legal proceedings will take account of the criteria set down in the Code of Crown Prosecution and Attorney General Guidelines.

3.9 Complaints Against Licensed Premises

- 3.9.1 Complainants are advised, whenever possible, in the first instance to raise their complaint directly with the licensee in order to resolve the matter. The Licensing Authority, however, recognises that it is not always possible or practical for complaints to be raised directly. In such circumstances, complaints in the first instance should be addressed to: The Lead Specialist - Environment, South Somerset District Council, The Council Offices, Brympton Way Yeovil, BA20 2HT or e-mail licensing@southsomerset.gov.uk
- 3.9.2 It is expected that all noise-related complaints are initially raised with the Council's Environmental Protection Service and complaints regarding unlicensed activities and operating outside the permitted hours are raised with the Lead Specialist - Environment.
- 3.9.3 On receipt of a complaint, the Specialist - Licensing Officer shall investigate the circumstances, discussing the complaint with the Designated Premises Supervisor of the licensed premises, the Premises Licence holder, any Relevant Responsible Authority and the complainant. Where it is a valid complaint, the Licensing Authority shall endeavour to seek a resolution through informal means prior to taking any legal action.
- 3.9.4 The Lead Specialist - Environment is responsible for considering complaints in the context of this Policy and will determine whether or not it is a relevant

complaint. They will authorise suitably qualified officers to discharge enforcement duties as appropriate to their seniority, professional qualifications and/or experience in order to resolve any complaint.

3.9.5 Where there is a serious complaint, the Director - Service Delivery, the Lead Specialist - Environment and Specialist - Licensing Officers shall ensure that it is investigated and enforcement action taken where necessary. The Licensing Authority shall act in accordance with the Enforcement Policy available on the Council's web site or from Licensing Services and in accordance with the Regulators' Compliance Code: Statutory Code of Practice for Regulators.

3.9.6 The Licensing Authority recognises that this Policy and the promotion of the Licensing Objectives relies on partnership between all the parties. Therefore, where there are any concerns identified at the premises, or there is need for improvement, the Licensing Authority shall work closely with the parties at an early stage to address these concerns.

3.10 Live Music, Dancing and Theatre

3.10.1 The Council recognises the need to encourage and promote a broad range of entertainment, particularly live music, dancing and theatre for the wider cultural benefit of the community and in particular for children and young people.

3.10.2 When considering applications for such events and the imposition of any conditions if representations are received on licences or certificates, the Licensing Authority will carefully balance the need to promote the licensing objectives against these wider cultural benefits.

3.10.3 When considering whether an activity constitutes the provision of regulated entertainment each case will be treated on its own merit. Live music is a performance of live music in the presence of an audience that it is intended to entertain; it can for example include the playing of some recorded music and may be part of the performance of amplified live music. As there will inevitably be a degree of judgement as to whether a performance is live music or not organisers of events are encouraged to consult with the Licensing Authority if in doubt. The Licensing Authority is aware of the changes made to the Licensing Act 2003 by the Live Music Act 2012 including amending statutory instruments¹ and the Deregulation Act 2015 so that in prescribed circumstances, live music, performance of dance and plays are not classed as a licensable activity.

4.0 Administrative Issues

The Licensing Authority will accept online and electronic applications; however applications will not be treated as valid until all relevant documents have been received together with the appropriate fee.

All hard copy applications will be treated in line with the relevant regulations and all applications and relevant documentation must continue to be submitted in their

¹ SI 2013 No. 1578 The Licensing Act 2003 (Descriptions of Entertainment)(Amendment) Order 2013; The Legislative Reform (Entertainment Licensing) Order 2014

entirety and not in piecemeal form to avoid the potential for any errors or confusion.

As the Regulations require advertising of all new and full variation applications, the Licensing Authority recommends that the applicant contact them prior to displaying the statutory notice or advertising the application in a local paper circulating in the vicinity of the premises. This will ensure that an accurate consultation date will be given which will avoid any errors and the potential of a breach of the regulations that would result in the application being rejected or delayed.

4.1 Premises Licence

4.1.1 The Premises Licence application outlines the operating conditions and the Operating Schedule that will form the basis of conditions that will be attached to the Licence. It should include information that is necessary to enable any responsible authority or other person to assess whether the steps to be taken to promote the licensing objectives are satisfactory. The Licensing Authority shall expect the applicant to have carefully considered the promotion of all four Licensing Objectives in their Operating Schedule.

4.1.2 It is recommended that applicants liaise with neighbours and/or any relevant community group such as a local residents association, or other such groups, as may be appropriate prior to submitting an application.

4.1.3 The Licensing Authority especially recommends that applicant liaise with the Relevant Authorities prior to submitting their applications, e.g. police or fire authority, when compiling their operating schedules and the local pubwatch if one operates in that area.

4.1.4 In completing their Operating Schedule the Licensing Authority suggest the applicant considers the following:

General

- Premises log book
- Management and staff training and awareness of duties under the Licensing Act
- Policies and procedures relating to e.g. age restricted sales, capacity, noise monitoring, dispersal, queuing, etc.
- Safe capacities
- Evidence of competent management procedures

Prevention of Crime and Disorder

- Drugs policy
- CCTV
- Pub Watch and Radio links with other licensed premises
- Security Industry Authority Door supervisors and Approved Contractor Scheme
- Polycarbonate or shatterproof vessels
- Frequency of glass bottle disposal and provision of secure storage before collection
- An appropriate ratio of tables and chairs to customers

- Management of outside areas
- Use of 'spikeys' or similar anti drink spiking device
- Calming atmosphere at close of business/event
- Safe capacities
- Queuing policy
- Stewards for events and event plan
- Control of nitrous oxides

Public Safety

- Health and Safety and Fire Safety risk assessments and staff training
- Safeguarding measures
- Use of CCTV in and around the premises
- Safe capacities and monitoring procedures
- Provision of local taxi companies who can provide safe transportation home
- Procedures to control access to and egress from premises
- Patrolling of premises
- Glass clearance policy
- Control of ventilation
- Control of litter immediately outside the premises
- The presence of trained first aiders and appropriate & sufficient first aid kits
- Adequate external lighting
- Consideration of the safety of performers appearing at any premises
- Indoor sporting events: medical practitioner; flame retardant material, location of public to wrestling ring; water sports events – lifeguards
- Stewards for events and event plan; and regard to standards of the National Sporting Body
- Ensuring appropriate access for emergency services

Prevention of Public Nuisance

- Control of general noise, disturbance, light, odour, litter and anti-social behaviour
- Whilst regulated entertainment taking place, management of noise disturbance
- Control of litter (e.g. cigarette ends, rubbish, etc.), vomiting, urinating and anti-social behaviour in the vicinity of the premises
- Dispersal policy to ensure customers respect their neighbours
- Removal of persons causing disturbance
- Management of outside areas, e.g. pub gardens, smokers, etc.
- Control of deliveries in early hours
- Queuing policy
- Winding down period

Protection of Children from Harm

- Refusals book
- Consideration of access to premises where adult entertainment may take place
- Consideration to proximity of premises to schools and youth clubs
- Restriction on hours when children under a specified age can be present and whether they should be accompanied by a responsible adult
- Clarity on activities and times at which events take place to determine whether or not it is appropriate to allow access to children

- Challenge 21 or 25 policy
- Prompting mechanism on tills at retail outlets
- Measures to control access to hotel minibars
- Operational measures to avoid proxy purchases
- How to prevent children from being exposed to alcohol sales at under age events, gambling, incidents of violence and disorder and drugs or drug taking
- Consideration of safeguarding issues
- Consideration of children as performers where relevant
- Supervision of children
- Under 18 event Code of Conduct, for example: searches, ticketed event, door supervisors, DBS checks, stewards monitoring event, set hours for event, restricted event, policy to ensure young people leave premise safely, etc.

These lists are not exhaustive and advice can be obtained from the relevant responsible authorities. However, applicants are reminded again to contact the relevant Responsible Authorities to seek their expert advice before an application is submitted to the Licensing Authority.

4.2 Garages

- 4.2.1 With regard to the licensing of garages, and/or filling stations, Section 176 of the 2003 Act prohibits the sale or supply of alcohol from premises that are used primarily as a garage. However, the Licensing Authority will use the court's approach based on intensity of use, to establish primary use. Where such applications are submitted, the Licensing Authority will expect sufficient relevant evidence to accompany the application form to prove the issue of primary use. Where there is any doubt the – Licensing specialist will determine whether or not any premises are used primarily as a garage.

4.3 Mobile Premises and Temporary Structures

- 4.3.1 Where licensable activities take place in mobile vehicles, a Premises Licence will be required for the land upon which the vehicle operates. The Operating Schedule must indicate the specific pitch from where trading is to take place.
- 4.3.2 As this type of premises is likely to cause people to congregate, the Licensing Authority shall expect applicants to demonstrate specific measures to prevent Crime and Disorder and Public Nuisance. In addition, the Licensing Authority shall expect the applicant to consider specific measures to ensure that litter from such premises is regularly disposed of and that the licensee has adopted a Litter Policy as set out above.
- 4.3.3 Where temporary structures are used for licensable activities they shall be shown on plan of the premises as the location where they will take place. Once a premises licence has been granted, the location of those structures may not change until an application for a full or minor variation of the premises licence has been submitted and granted.

4.4 Temporary Event Notices

4.4.1 The Act states that the premises user must give the Licensing Authority a minimum of 10 working days' notice for a standard temporary event notice and between 5 and 9 working days' for a late temporary event notice. The 'working day' requirement means that the day of receipt of the notice, Saturdays or Sundays, Bank Holidays, or the day of the event are not included as a working day.

4.4.2 Premises users are advised to submit their TENS well before the date of the event (ideally 28 days beforehand). When serving TEN's in a hard copy format, the premises user should serve the notice on the Licensing Authority, Police and the Environmental Protection team at the same time to avoid a situation where one of the bodies does not receive their copy within the statutory timescale, which could mean that the event cannot proceed even if the other bodies have received their copy in time.

4.4.3 It is a legal requirement for all organisers to prepare Health and Safety and Fire Safety Risk Assessments with regard to their event. Guidance on how to conduct such risk assessments may be obtained from the relevant enforcing authority. The Licensing Authority may notify the Fire Authority of any TENS submitted so that they can offer advice to event organisers if necessary. Members of the Safety Advisory Group may also be notified of any TENS for similar reasons. Organisers are recommended to give thought to the provision of first aid at such events. It should be noted that if the Fire Authority is of the opinion that the use of premises/venue involves, or will involve, a risk to relevant persons so serious, including anything affecting their escape from the premises in the event of fire, the Fire Authority may prohibit or restrict premises use without notice.

4.4.4 The Authority strongly recommends that premises users address the following issues: -

- Applicants are strongly advised to consider and mitigate the potential impact in terms of public nuisance, i.e. noise, vehicle parking of attendees, traffic.
- Seek relevant professional advice on public liability insurance.
- Seek relevant professional advice on noise, public safety, sanitation, food hygiene, health & safety and fire safety matters. Liaise with local residents and businesses that may be affected by the event, to raise awareness of the nature and duration of the event.
- Seek relevant professional advice on medical provision.
- Ensure that the event site and environs are maintained free of litter to a reasonable extent during an event and completely cleared following an event. This includes the removal of all advertising material used to promote events, within a reasonable period.

Consider the conditions attached to a Premises Licence or Club Premises Certificate and manage the event in accordance with such conditions, where appropriate. (This is to mitigate the potential for adverse impacts on the promotion of the Licensing Objectives and/or complaints).

4.5 Personal Licences & Exemption of Designated Premises Supervisor

- 4.5.1 The Licensing Authority places particular emphasis on the role of premises supervisors and licensees and where the Police object on the grounds of prevention of crime and disorder there will be a presumption against issuing a personal licence to any applicant with an unspent conviction for a relevant offence. If the applicant can demonstrate exceptional and compelling reasons for disregarding the conviction, this will be taken into consideration.
- 4.5.2 The Licensing Authority advises that it is good practice for the Personal Licence holder to give specific written and dated authorisation to individuals to demonstrate due diligence. Whilst the Designated Premises Supervisor (“the DPS”) and Personal Licence Holder may authorise sales in their absence, they still remain responsible for those sales. Similarly, the Premises Licence Holder also remains responsible for ensuring that the licensing law and conditions are complied with at that premises. Any authorisations should be meaningful and properly managed.
- 4.5.3 Where a Premises Licence is in force authorising the supply of alcohol, a DPS will need to be nominated. The main purpose of the DPS is to ensure that there is always one specified individual who can be readily identified by Responsible Authorities as the individual who has day-to-day responsibility for running the business and who can therefore ensure that any problems are dealt with swiftly. As such the DPS will occupy a pivotal position. Experience has proved that in some cases the Premises Licence Holder has employed a DPS who is remote from the premises and therefore not involved in the day-to-day running of that premise; the Licensing Authority will therefore pay particular attention to those premises.
- 4.5.4 Whilst the Licensing Authority recognises that a DPS may supervise more than one premise, the DPS must be able to ensure that the four Licensing Objectives are promoted and that the licensing law and licensing conditions are complied with. Where the DPS is not available at the premises for whatever reason, the Licensing Authority recommends a responsible individual is nominated who can deal with matters in the absence of the DPS. In addition, the Licensing Authority recommends that a notice is displayed prominently indicating the name and position of that nominated person. Whenever alcohol is to be sold it is recommended that written and dated consent be given to that nominated person.
- 4.5.5 Experience has indicated that a number of Personal Licence Holders have failed to produce their Personal Licence to the court in accordance with Section 128 of the 2003 Act. In view of this the Licensing Authority will take appropriate action against those who continue to fail to notify the courts and/or provide notification of their change of address in accordance with their statutory duty.

Exemption of DPS

- 4.5.6 Where a community premises applies for an exemption from the requirement to have a DPS, the Licensing Authority must be satisfied that arrangements for the management of the premises by their Committee or Board of individuals are sufficient to ensure the adequate supervision of the supply of alcohol on the premises. The applicant will be required to set out how the premise is managed, its committee structure and how the supervision of alcohol sales is conducted. Copies of the Constitution and other management documents must be submitted. The management committee is strongly encouraged to notify the Licensing Authority if there are any key changes in the committee’s composition as this committee will collectively be responsible for ensuring compliance with licence conditions and

licensing law. Where management arrangements are unclear, the Licensing Authority may seek further details to confirm that the management board or committee is properly constituted and accountable. While overall responsibility lies with the management committee where premises are hired out, the hirer will be clearly identified as having responsibilities falling within their control. Community premises are encouraged to check with the Licensing Authority before making any application.

4.6 Large Scale Events

4.6.1 Large Scale events of a temporary or more permanent nature will generally require detailed planning, it is therefore recommended that applicants engage with the Responsible Authorities, the Safety Advisory Group, local Town & Parish Councils and residents as early as possible in the planning process; this should ensure that applicants are aware of potential issues and have already addressed them prior to submission of their application. Such an approach in effect, lengthens the statutory consultation period as there is a considerable amount of work for all parties involved and reduces the number of issues/uncertainties once in the formal process.

4.6.2 It is strongly recommended that applications for Large Scale events are submitted no later than the timescales given below:

Maximum number of attendees at any time	Minimum notice period
500 - 999	Not less than 3 months
1000 - 2999	Not less than 4 months
3000 - 4999	Not less than 5 months
5000 - 9999	Not less than 6 months
10000 - 49999	Not less than 7 months
50000 +	Not less than 8 months

4.6.3 If less notice is given by an applicant, they may have insufficient time to respond fully to representations that may have been submitted; this is particularly relevant where Responsible Authorities and/or other persons take the view that an application is lacking in detail and substance, which can lead to the licensing process becoming drawn out in the lead up to the proposed event. This can lead to pressures on an organiser in the crucial lead up time to an event itself and could lead to the refusal of the licence.

4.6.4 These events have significant potential to undermine the promotion of the Licensing Objectives, due to their sheer size and complexity. The Authority believes that this risk can only be adequately mitigated by the submission of an up to date, relevant, detailed and complete operating schedule that is specific to the proposed event on each separate occasion or for a specific period less than permanent.

4.6.5 Applicants must be mindful that although it is possible for an operating schedule to be drawn sufficiently widely to encompass a range of events under a licence, there is a possibility that it will lack sufficient specific detail to enable responsible authorities to come to a balanced judgment as to whether the licensing objectives will be placed at risk and as to whether the mitigation measures proposed will be sufficient to avert that risk. Further, the potential for adverse impacts can vary significantly between

events even when planned at the same premises; applicants are therefore advised to provide as much detail as possible for each type of event.

- 4.6.6 Applicants are expected to rely most heavily on their own competence and knowledge or that of persons/ bodies that they employ in making their plans. They cannot and should not rely on the input of the Responsible Authorities to ensure that detailed and comprehensive plans for their event are produced. The demands on the Responsible Authorities can be disproportionate to their resources, this might place undue pressure on such bodies, undermining the level of scrutiny of such applications. It must be considered that the legal responsibilities connected to holding such events primarily rest with the applicant, organiser and landowner.
- 4.6.7 Where an applicant does not consider such advice and guidance before making an application this can place Responsible Authorities and/or Other Persons in a difficult position due to the fact that many aspects of an application may be lacking and it may not allow full and proper consideration of the proposals during the objection period. This may undermine their full and proper consideration of an application.
- 4.6.8 Where relevant representations are received in respect of an application for a premises licence/club premises certificate, the Authority will consider, amongst other matters, whether the operating schedule a) defines the events proposed with sufficient certainty to enable Responsible Authorities and the Authority itself to consider the risks to the licensing objectives arising from the event; b) defines the measures proposed to avert those risks with sufficient certainty to enable Responsible Authorities and the Licensing Authority itself to make a balanced judgment as to whether the measures will be sufficient to avert those risks. The authority will generally require a high degree of particularity before deciding that the operating schedule fulfils this requirement but will decide that matter on the merits of each case.
- 4.6.9 Where the Authority judges that the operating schedule is not drafted with sufficient certainty, the application will normally be refused, save in exceptional circumstances. It is unlikely that the circumstances will be considered exceptional unless they give assurance that the licensing objectives will be met despite the lack of certainty in the operating schedule and therefore in the conditions of the licence.
- 4.6.10 Where the Authority judges that the operating schedule is drafted with sufficient certainty, then in deciding the application, the Authority will take account of any risks arising from the temporary nature of the event(s) proposed in the application.
- 4.6.11 Organisers should be able to demonstrate that they have had regard to 'The Event Safety Guide – also known as the 'Purple Guide' and that they have carried out risk assessments suitable for the event; it can be found at:
<http://www.thepurpleguide.co.uk/>

4.7 Sustainable Event Management

- 4.7.1 Events can impact heavily on our resources, society, and the environment, as they can generate significant waste, put a strain on local resources like water or energy, and generate large volumes of traffic. It is, therefore, important that event organisers are taking the right steps to integrate sustainability into their event management and ensure that they are organised responsibly. As such, the Council encourages event organisers to take the necessary steps to develop proposals that are conscious of the Council's Environment Strategy following its recognition of the Climate and

Ecological Emergency, by way of demonstrating what steps will be taken to ensure the environmental impacts of the event are kept to a minimum.

4.7.2 It is highly recommended that event organisers consider the following points:

1. Banning single use plastic glasses/cups in the bars and look to use reusable receptacles.
2. Encourage non fossil fuel powered events, including any caterers.
3. Alcohol sourced from local brewers/suppliers to keep bars with a lower carbon footprint.
4. High recycling rates, a target of 70% plus, which could be evidenced from weighbridge tickets provided by recycling transfer stations.

4.8 Reviews of Licence or Club Premises Certificate

4.8.1 The Licensing Act 2003 details that where a premises licence or club premises certificate has effect, a responsible authority or another person may apply to the relevant licensing authority for a review of the licence. Nothing in this Policy shall restrict their right to apply for a review of a licence or make relevant representations in accordance with the Act, however the licensing authority may, at any time, reject any ground for review specified in an application under this section if it is satisfied that the ground is not relevant to one or more of the licensing objectives, or in the case of an application made by a person other than a responsible authority, that the ground is frivolous or vexatious, or the ground is a repetition.

4.8.2 Where a person or body is considering making an application for a review, they are advised to contact the Licensing Team. This is so that the Licensing Authority may provide some initial feedback on the matter and then, if appropriate, attempt to facilitate a meeting or a series of meetings between relevant persons and bodies to consider alternative solutions and/or discuss the review process.

4.8.3 Applicants should make all reasonable efforts to set out their concerns regarding an authorisation concisely and clearly, and ensure that these concerns are relevant to a failure to promote the Licensing Objectives.

4.8.4 Examples of triggers for a review may be: continual complaints of noise from or in the vicinity of the premises; continual complaints of noise or intimidation from customers outside the premises; an accumulation of breaches of licensing conditions; poor management where the licensing objectives are undermined; underage sales of alcohol (persistent or otherwise); crime-related activity; anti-social behaviour; sales of alcohol outside of the permitted hours, etc.

4.8.5 The Licensing Authority shall expect applicants for a review to gather sufficient and relevant evidence relating to the specific premises that is subject to the review. This may include a diary of events and any potential witnesses. With regard to reviews on noise complaints, applicants are encouraged to liaise with the Council's Environmental Protection team who may be able to assist with and support the review process.

4.8.6 Prior to a review, however, Avon and Somerset Police, other Responsible Authorities or the Licensing Authority may seek to meet with the licence/certificate holder to address issues through a premises improvement plan.

4.9 Administration, Exercise and Delegation of Functions

- 4.9.1 The Council has a Licensing Committee, consisting of 15 elected members, to carry out its licensing functions and to make licensing decisions, except those functions relating to the making of a Statement of Licensing Policy.
- 4.9.2 In the interests of speed, efficiency and cost-effectiveness the Committee will delegate certain decisions and functions to Sub-Committees and Licensing specialists.
- 4.9.3 For example, where there are no relevant representations on an application for the grant of a premises licence or club premises certificate or Police objection to an application for a personal licence, these matters should be dealt with by Licensing specialists.
- 4.9.4 The following table sets out the agreed delegation of decisions and functions to the Licensing Committee, Sub-Committees and Licensing specialists.
- 4.9.5 This scheme of delegation does not prevent the referral of matters to a higher authority if considered appropriate in the circumstances of any particular case.

4.9.6 Members of the Licensing Committee) will comply with the South Somerset District Council Code of Conduct for Councillors and will declare any personal or prejudicial interest in any matter coming before them in accordance with the Code. Members with a prejudicial interest will have the opportunity to speak as

any member of the public (i.e. only where they make relevant representations) is permitted but will withdraw from the room in which the meeting is being held immediately after speaking and will not seek to improperly influence the decision.

- 4.9.7 Members of the Licensing Committee who make representations on behalf of any Other Person or in their own right as a member of the Licensing Authority will not sit on the Committee or any Sub-Committee making any decision in relation to the matter in question, nor take any other part in the decision-making process

4.10 Licensing Authority as a Responsible Authority

- 4.10.1 The Police Reform and Social Responsibility Act 2011 amended the 2003 Act to include the Licensing Authority as a Responsible Authority. This Licensing Authority is therefore empowered to fulfil the same functions as other Responsible Authorities under the Act including making relevant representations to new licence/certificate applications and variations and reviewing an existing licence/certificate.
- 4.10.2 The Licensing Authority will however not normally act on behalf of other parties (e.g. local residents, councillors or community groups) as such parties may make relevant representations in their own right. However, if these parties fail to take action and the Licensing Authority is aware of relevant grounds to make a representation, it may in these circumstances choose to act in its capacity as a Responsible Authority. However, before the Licensing Authority acts in this capacity it will expect other Responsible Authorities to intervene where the basis for that intervention falls within their remit. The Licensing Authority recognises that each Responsible Authority has equal standing under the 2003 Act and has the power to act independently without waiting for representations from any other Responsible Authority.
- 4.10.3 In cases where the Licensing Authority is also acting in its capacity as a Responsible Authority it will ensure that there is a separation of responsibilities within the Council to ensure procedural fairness and eliminate conflict of interests. The Licensing specialist reporting to the Licensing Sub Committee shall be different from the officer who is acting as the Responsible Authority.
