## **Information for the Public**

The council has a well-established area committee system and through four area committees seeks to strengthen links between the Council and its local communities, allowing planning and other local issues to be decided at a local level (planning recommendations outside council policy are referred to the district wide Regulation Committee).

Decisions made by area committees, which include financial or policy implications are generally classed as executive decisions. Where these financial or policy decisions have a significant impact on council budgets or the local community, agendas will record these decisions as “key decisions”. The council’s Executive Forward Plan can be viewed online for details of executive/key decisions which are scheduled to be taken in the coming months. Non-executive decisions taken by area committees include planning, and other quasi-judicial decisions.

At area committee meetings members of the public are able to:

- attend and make verbal or written representations, except where, for example, personal or confidential matters are being discussed;
- at the area committee chairman’s discretion, members of the public are permitted to speak for up to up to three minutes on agenda items; and
- see agenda reports

Meetings of the Area East Committee are usually held monthly, usually at 10.00am, on the second Wednesday of the month in the Council Offices, Brympton Way, Yeovil (unless specified otherwise).

Agendas and minutes of meetings are published on the council’s website

<https://modgov.southsomerset.gov.uk/ieDocHome.aspx?bcr=1>

Agendas and minutes can also be viewed via the mod.gov app (free) available for iPads and Android devices. Search for ‘mod.gov’ in the app store for your device, install, and select ‘South Somerset’ from the list of publishers, then select the committees of interest. A wi-fi signal will be required for a very short time to download an agenda but once downloaded, documents will be viewable offline.

## **Public participation at committees**

### **Public question time**

The period allowed for participation in this session shall not exceed 15 minutes except with the consent of the Chairman of the Committee. Each individual speaker shall be restricted to a total of three minutes.

### **Planning applications**

Consideration of planning applications at this meeting will commence no earlier than the time stated at the front of the agenda and on the planning applications schedule. The public and representatives of parish/town councils will be invited to speak on the individual planning applications at the time they are considered.

Comments should be confined to additional information or issues, which have not been fully covered in the officer’s report. Members of the public are asked to submit any additional documents to the planning officer at least 72 hours in advance and not to present them to the Committee on the day of the meeting. This will give the planning officer the opportunity to respond appropriately. Information from the public should not be tabled at the meeting. It should also be noted that, in the interests of fairness, the use of presentational aids (e.g. PowerPoint) by the applicant/agent or those making representations will not be permitted. However, the applicant/agent or those making representations

are able to ask the planning officer to include photographs/images within the officer's presentation subject to them being received by the officer at least 72 hours prior to the meeting. No more than 5 photographs/images either supporting or against the application to be submitted. The planning officer will also need to be satisfied that the photographs are appropriate in terms of planning grounds.

At the committee chairman's discretion, members of the public are permitted to speak for up to three minutes each and where there are a number of persons wishing to speak they should be encouraged to choose one spokesperson to speak either for the applicant or on behalf of any supporters or objectors to the application. The total period allowed for such participation on each application shall not normally exceed 15 minutes.

The order of speaking on planning items will be:

- Town or Parish Council Spokesperson
- Objectors
- Supporters
- Applicant and/or Agent
- District Council Ward Member

If a member of the public wishes to speak at the meeting they should contact Democratic Services ([democracy@southsomerset.gov.uk](mailto:democracy@southsomerset.gov.uk)) by 9.00am on the day prior to the meeting and provide their name and whether they have supporting comments or objections, or who they are representing. If this is not possible and a member of the public wishes to speak, they must inform the committee administrator before the meeting begins of their name and whether they have supporting comments or objections and who they are representing - this should be done by completing one of the public participation slips available at the meeting.

In exceptional circumstances, the Chairman of the Committee shall have discretion to vary the procedure set out to ensure fairness to all sides.

## **Recording and photography at council meetings**

Recording of council meetings is permitted, however anyone wishing to do so should let the Chairperson of the meeting know prior to the start of the meeting. The recording should be overt and clearly visible to anyone at the meeting, but non-disruptive. If someone is recording the meeting, the Chairman will make an announcement at the beginning of the meeting.

Any member of the public has the right not to be recorded. If anyone making public representation does not wish to be recorded they must let the Chairperson know.

In these cases the Council's decision-making process is not complete until the application is determined by the Regulation Committee.
