Financial Implications

None for the Area West Committee. Mileage claimed by Councillors attending meetings of outside bodies to which they are appointed is approximately £1,000pa and is within the existing budget for Councillors travelling expenses held by Democratic Services. There may be a small saving resulting from any decision to reduce the number of SSDC appointed outside bodies, however, a number of Councillors do not claim any mileage for their attendance at these meetings.

Council Plan Implications

There are several of the Council's Corporate Focuses which encourage partnership working with local groups, including:-

- Work in partnership to deliver investment and development that local people value with particular emphasis on Yeovil and Chard;
- Work with partners to contribute to tackling youth unemployment;
- Work with partners to combat fuel poverty;
- Ensure, with partners, that we respond effectively to community safety concerns raised by local people and that the strategic priorities for policing and crime reduction in South Somerset reflect local needs;
- Work with and lobby partners to help communities to develop transport schemes and local solutions to reduce rural isolation and inequalities to meet existing needs of those communities.

Carbon Emissions and Climate Change Implications

None

Equality and Diversity Implications

Full consideration to equalities was given in producing the Policy on the Roles and Responsibilities of Councillors appointed to Outside Bodies.
