## Background

The report from Grant Thornton, the Council's external auditor, is provided as part of the responsibilities that auditors have in respect of communicating information to the Audit Committee under International Standards on Auditing (UK) (ISA(UK)).

The Audit Risk Assessment report provides the committee with details of the risk assessment undertaken by the external auditor for 2020/21, the areas of focus and the responses to the questions posed to management.

The report is part of the continual dialogue between the external auditor and the committee with the aim being to assist the auditors and the committee in understanding matters relating to the annual audit and to build on the working relationship between both parties.

The continual communication also enables the auditor to obtain information relevant to the audit from the committee and supports the committee in fulfilling its responsibilities in relation to the financial reporting process.
