Purpose of the Report

To confirm the recommendation of members of the District Executive relating to the extension of the Public Space Protection Orders to address street drinking, following a consultative meeting of the District Executive held on the 7th October 2021.

Public Interest

At the meeting of Full Council on Thursday 15 April 2021 it was agreed to make the following changes to the Council's Constitution:

- a) To continue to enable members to hold remote, virtual meetings using available technology;
- b) To amend Part 3 (Responsibility for Functions) of the Council's Constitution to allow those remote meetings to function as consultative bodies and delegate decisions, including Executive and Quasi-Judicial decisions, that would have been taken by those meetings if the Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020 had continued in force to the Chief Executive (or the relevant Director in the Chief Executive's absence) in consultation with those meetings and those members to whom the decision would otherwise have been delegated under Part 3 of the Constitution;
- c) The delegated authority given under (b) will expire on 31 July 2021 unless continued by a future decision of this Council;

Further to the above, at the meeting of Full Council on 8 July 2021, it was agreed:

- a) To continue to enable members to hold remote, virtual meetings using available technology and to extend the delegation given on 15 April 2021 for a further 6 months, to 08 January 2022;
