Area West Committee Forward Plan

The Forward Plan sets out items and issues to be discussed by the Area West Committee over the coming few months.

The Forward Plan will be reviewed and updated each month in consultation with the Chairman. It is included each month on the Area West Committee agenda and members may endorse or request amendments.

To make the best use of the Area Committee, the focus for topics should be on issues where local involvement and influence may be beneficial, and where local priorities and issues raised by the community are linked to SSDC corporate aims and objectives.

Councillors, service managers, partners and members of the public may request that an item is placed within the forward plan for a future meeting by contacting the agenda co-ordinator.

Background Papers
