Q2 Capital Programme Paused / Completed Projects 2022/23	£000s	Comments
		Covid 19 has continued to cause delays to project work at Riverside Park due to lack of volunteers
		on site and visitor pressure increasing the workload for the rangers. Currently in planting season so
		work will continue.
		Update Oct 2022; No commitments on this planting scheme as ranger team has been short staffed
Riverside Park Planting Scheme	- 6	for 3 months therefore ground preparations have not been made and no materials oredered.
NATILIAN CANADA	- 413	Removed from the Capital Programme. An ear marked reserve has been set up fund the project if needed in the future.

	- 30	This links to phase 1 of the programme which is focusing on the leisure sites with the aim of having
		the heating and other works completed by March 23 to make use of the grant funding available. A
		second phase was approved for 2022/23 but a major part of that budget is now reserved for phase
		1. Only parts of phase 2 programme can now be met. First prioirty is to retain budget for
		Westlands boiler replacement. Delivery timing slippage.
		westiands boner replacement. Dervery timing suppage.
		Other than getting operationally critical plant renewed this could be scaled back as the whole
Decarbonisation of Operational Buildings - Phase 2	- 947	Decarb programme will need to re-established.
	517	Smart Bin Software (enables efficiency reducing need for vehicles). Paused and on hold due to SSDC
Environmental Services Fleet Vehicles Street Scene	- 35	digital capacity to deliver this project.
Huish Episcopi Swimming Pool	- 71	Completed , budget to be removed from the Capital Programme.
		Completed , budget to be removed from the Capital Programme.
		Final payment made on this 23/7/2020. If there is further money remaining I would suggest that
		this is reallocated to offset some of the capital expenditure on the Chard Pool. It would have been
		strategic leisure obligations and therefore could be used for this purpose in my opinion, You might
Holyrood Sports Hall	- 3	need Jackie Hamblin to confirm this.
Lufton 2000, Yeovil - All Phases	- 199	If the sale proceeds this sum may no longer be required.
		The upgrade of the financial system was completed in July, the outstanding items of the upgrade
E5 Upgrade	- 25	which are V1 Capture will not be implemented so balance of budget can be taken.
Firewalls & Security (Civica Upgrade)	- 11	Completed , budget to be removed from the Capital Programme.
		Funding to replace current switch stacks at end of life. The switch stacks provide connectivity
		between on-premise systems, internet and cloud based systems. Addresses potential security
		vulnerabilities.
		The future of the data centre is unclear and dependant on strategic LGR decisions. Until we know
Data Centre Network Switch Stack	- 100	the future of the SSDC data centre we should pause spend.
