Purpose of the Report

To inform members that 2 standard temporary event notices been received under the Licensing Act 2003 from Mrs Rebecca Jones for Old Oak Farm, Back Lane, Curry Rivel, Langport TA10 0NY and further that 2 objection notices have been duly served by the Environmental Protection department of the Council.

Recommendation

To consider the objection notices in accordance with the options detailed later in the report.

Background

A Temporary Event Notice is submitted to the Licensing Authority by the premises user (an individual 18 years or over) and is copied to the Police and the Environmental Health Service as a means to authorise licensable activities where either:

- no premises licence/club premises certificate exists
- in cases where it is not being used
- where the operating schedule including days and timings do not meet the need of the premises user.

Where an objection notice has been received from either the Police or the Environmental Protection department or both, the Council is the authority responsible for determining the notice under sections 105 and 106A of the Licensing Act 2003.

The nature of the objection notices relate to potential noise issues as the Environmental Protection department has received several noise complaints concerning past events.

Licensing Objectives

The licensing objectives are:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

The licensing objectives are to be considered paramount and the Council has a duty to promote them in its decision making process.

Relevant Observations

Section 106A of the Licensing Act 2003 permits licensing authorities to impose one or more conditions on a standard temporary event notice if

- a) the authority considers it appropriate for the promotion of the licensing objectives to do so
- b) the conditions are also imposed on a premises licence or a club premises certificate that has effect in respect of the same premises, or any part of the premises, as the temporary event notice, and
- c) the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.

In this case the venue is not subject to a premises licence; therefore no conditions can be imposed.

Further Information

Each Temporary Event Notice must be determined separately on its own merit.

The premises is defined as a marquee and converted stable within one field at OS Grid Ref: 339699 124730 and does not extend to the whole of Old Oak Farm. Mrs Jones has already submitted 8 temporary event notices for 2016, for which no objection notices were received.

Mrs Jones holds a personal licence which was issued by this council.

Considerations

In determining a temporary event notice with a view to promoting the licensing objectives in the overall interests of the community, the Committee must have regard to and give appropriate weight to the following considerations:

- Any Notice of Objection (including supporting documentation received)
- Guidance issued under s182 of the Act
- The Statement of Licensing Policy published in January 2014
- The steps necessary to promote the licensing objectives
- Human Rights considerations in particular Article 6, Article 8 and Article 1 of Protocol 1
- Each Temporary Event Notice to be determined separately upon its own merits

Options

The options available to the committee in this case are as follows:

- Give a counter notice to the premises user so that event cannot proceed
- Permit the event to proceed in accordance with the temporary event notice

Right of Appeal

Schedule 5 Part 3 of the Licensing Act 2003 sets out the rights and procedures for making appeals against the decision of the Licensing Authority:

Where the relevant Licensing Authority gives a counter-notice under section 105(3), the premises user may appeal against that decision.

Where that authority decides not to give such a counter-notice a "relevant person" as specified in section 99A of the Licensing Act 2003, may appeal against that decision.

An appeal must be made to the Magistrates' Court

The appellant commences an appeal under Part 3 of Schedule 5 to the Licensing Act 2003 by giving a notice of appeal to the designated officer for the Magistrates' court within 21 days beginning with the day on which the appellant was notified by the Licensing Authority of the decision appealed against.

But no appeal may be brought later than five working days before the day on which the event period specified in the temporary event notice begins.

On determining the appeal, the court may,

- Dismiss the appeal

- Substitute for the decision appealed against any other decision which could have been made by the Licensing Authority; or
- Remit the case to the Licensing Authority to dispose of it in accordance with the direction of the court.

and may make such order as to costs as it thinks fit.
